Welcome to Lighthouse Lodge

Located close to the sea front, Lighthouse Lodge has panoramic views of the River Mersey and the Irish Sea. Whilst the views are something to behold, it's our team's care and attention to detail that sets our home apart.

The Lodge has been thoughtfully designed to deliver comfort, convenience and enriched lifestyles to all who reside here.

Our dedicated team of care professionals is always on hand to support residents, aiming to make the most of each day.

Care Services

Residential Care

Lighthouse Lodge is designed for residents who have made the choice to live within a care home community where they can benefit from a wide range of support and companionship.

Our dedicated team of care professionals is always on hand to support residents; from providing assistance with daily activities, including dressing and mealtimes, to aiding visits to external professionals such as GPs.

Residents are encouraged to enjoy their lives through a range of engaging activities in the local community and within the care home.

Residential Dementia Care

The Lodge provides a safe, secure and responsive environment for those in the earlier stages of dementia.

As a purpose-built facility, Lighthouse Lodge has communities dedicated to residents who are living with cognitive impairment.

We have designed the Lodge to incorporate a number of special features including designated breakaway spaces and easily identifiable signage, allowing residents to easily familiarise themselves with their surroundings.

Lodge Facilities

The facilities at Lighthouse Lodge include:

Bedrooms

Our bedrooms are spacious, complete with an en suite wet room and wireless alert system that allows residents to call a member of staff at any time of day or night when additional assistance is required.

Whilst each room is well-equipped with high quality furnishings, we encourage residents to bring meaningful keepsakes to decorate and personalise the room, making the home their own.

Each room includes:

- Adjustable Profiling Bed
- Flat Screen TV
- Wireless Internet Connection
- En Suite Wet Room
- Wireless Alert System

“ The place is lovely, very clean, with bright, airy lounges and large bedrooms. But it's the staff that make the place special. ”

Hair & Beauty Salon

Our in-house hair & beauty salon comes with a resident hair stylist, who is available to all residents.

Residents are welcome to invite their own personal hairdresser to visit if they wish.

We also provide beauty treatments such as manicures, pedicures and hand massages.

Rooftop Terraces

Lighthouse Lodge's 2nd and 3rd floor terraces provide spectacular panoramic views looking out onto the River Mersey and Irish Sea.

It's the perfect place to sit back, relax in the sun and watch the world go by.

Spacious Lounges

The Lodge has several lounges, furnished for the relaxation and entertainment of our residents.

Here, we often host entertainers, film afternoons, exercise classes and more.

We also have designated areas around the home for residents and their guests to enjoy each other's company in comfort and privacy.

Landscaped Gardens

Our residents and their families and friends have access to our manicured garden where they can spend time enjoying the beautiful surroundings or even try their hand at gardening.

Dining Experience

Here at Lighthouse Lodge, we understand the importance of a nutritious and well-balanced diet.

We take pride in our dining service and only use the finest seasonal produce available to make every meal the best it can be. Our menus are crafted with care and attention, tailored to residents' preferences and cultural or dietary requirements.

A wide range of refreshments is available on request 24 hours a day and residents are welcome to invite friends and family to meals at the Lodge – booking availability and related costs are available from the Lodge reception.

“ The chef and kitchen staff provide well-balanced meals and always asks Mum if she has any food preferences, which is very helpful. ”

Activities & Wellbeing

We are dedicated to making our residents' home a happy, vibrant and fun place to live!

Our Activities & Wellbeing team provide residents with a varied and engaging programme that inspires communication, social interaction, movement, reminiscence and more.

Example of activities include:

- Musical Sing-Along Sessions
- Exercise Classes
- Arts & Crafts
- Knit & Natter
- Intergenerational Sessions (with our twinned nursery)

There are also regular visits to parks, markets and shops in and around the local area, as well as organised excursions to places of interest.

To keep up-to-date with all our latest goings on, families and friends are encouraged to follow our Facebook & Instagram pages.
