

# Lynton Hall

Your local Bupa care home  
in New Malden.

# Surrounded by colourful gardens

**Based in a friendly neighbourhood of South-West London, our home warmly welcomes residents in need of nursing and residential care. Those with dementia are welcome to join us too.**

There's plenty to do in the area, and we're close to lots of shops and attractions. Within easy reach are the Royal Botanic Gardens Kew, Hampton Court Palace, Chessington World of Adventures and Richmond Park.

## Our care team

At Lynton Hall, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

**“My father-in-law stayed for respite care. The staff are very friendly and looked after Dad well. He was always clean, and his lovely room was always spotless. There were regular activities and a large lounge to sit in with other residents who became Dad's friends.”**

# Life at Lynton Hall

The atmosphere here is warm and sociable. There's a real neighbourhood feel, too – we're close to the library, and residents often enjoy watching cricket and rugby on the nearby field.

## Activities

Our activity coordinator plans fun and stimulating things to do for all our residents, including those who are less mobile. These include:

- cooking and baking
- visiting entertainers every week
- arts and crafts, including painting
- reminiscence sessions
- games and quizzes
- flower-arranging
- gentle exercise sessions
- movie nights
- a spot of gardening

Residents can still do most of their existing hobbies here. They can also suggest something they'd like to try, as a group or in their room.

## Fresh, healthy food

Our chef prepares delicious meals and snacks for our residents to enjoy in one of our dining areas or in the comfort of their own room.

There are plenty of favourites on the menu, but we also talk to each resident when they move in about their likes, dislikes, and any special religious or dietary needs.

## Meal times

Set meal times ensure that residents can enjoy their food without interruption. If they'd prefer to eat at a different time, that's okay, too.

## Celebrating special occasions

We have a couple of dining areas where families can host private events such as birthday parties. We'll just need to know in advance. Plus, we can arrange catering for an additional fee.

## Visits from family and friends

Loved ones can pop by at any time for coffee or an activity. If you'll be having a meal with us, just give us a quick call and tell us about any dietary requirements. Then we can cook up something you'll really enjoy.

**“Mum was greeted by name at the door, and we were introduced to everyone. They took note of her likes and dislikes immediately and made a fuss of her. It's a very friendly, family feeling place.”**
