WELCOME TO LAKELANDS LODGE

Set in the Victorian town of Fleetwood, Lakelands Lodge is a purpose-built home offering residential, nursing, dementia, and respite care, personalised to the needs of each individual resident, 24 hours a day.

Our experienced and caring team are dedicated to ensuring that Lakelands Lodge is a happy, vibrant and fun place to live. Our varied and engaging activities programme inspires communication, social interaction, movement, reminiscence and more, including excursions both locally and further afield. Fleetwood itself boasts incredible coastlines, and the town is always brimming with community activities to bring people together.

Our chef and catering team work hard to create a varied, nutritious menu with seasonal ingredients, tailored to individual preferences and dietary needs.

“I am very happy with the care that Mum gets here. The staff are all great and take such good care of her. The activities put on brighten up her day and she enjoys a sing-song in the lounge with everyone.”

Internally, residents can enjoy a choice of shared lounges for relaxation, a popular activities room, or enjoy being pampered in the Hair & Beauty Salon. Each of our communities has access to its own kitchen, ensuring guests are always able to enjoy a cuppa while visiting!

Residents enjoy comfortable, tastefully decorated en-suite bedrooms and are welcome to personalise their rooms as they wish. The benefits of group living, in the knowledge that care and support is always on hand, mean that every day can be enjoyed to the full at Lakelands Lodge Care Home.
