WELCOME TO LARCHWOOD

Nestled in a quiet, countryside location just outside Braintree in Essex, Larchwood is a purpose-built care home offering residential dementia care for up to 64 residents.

We provide comprehensive, compassionate and dedicated care to cover all medical and wellbeing needs, 24 hours a day. Our care team are proud to ensure privacy, dignity and respect, while fostering independence, confidence and wellness for each of our residents.

With seven sitting rooms, four dining rooms, a sunny conservatory and a memory room, residents have a wide variety of places to relax, dine and socialise. Our pretty garden has a delightful sensory area and a summer house and is a well-loved feature of our home, while our Hair Salon is the perfect space for some pampering.

A HOME TO MAKE YOUR OWN

Our Wellbeing Coordinators plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities tailored to our residents. Whether celebrating special occasions or enjoying quiet moments, our team will help your loved ones create a routine that brings them joy.

We are proud to provide high quality, delicious and nutritious meals and snacks, with personal preferences taken into consideration.

Larchwood Care Home offers a fun, safe, and inclusive space for each of our residents, combining kindness and quality care to create a true home from home.
