WELCOME TO LAUNTON GRANGE

Launton Grange is a friendly and welcoming purpose-built home located on the outskirts of Bicester offering residential and residential dementia care.

Personalised care plans allow us to deliver person-centred care that protects our resident's dignity and independence. By prioritising an active lifestyle, our attentive and extensively trained team provide round-the-clock care while getting to know the residents on an individual level.

**CARE MEANS
LISTENING TO
OUR RESIDENTS
WITH KINDNESS
AND CURIOSITY**

FACILITIES AND LIFESTYLE

Our stylish ensuite rooms come equipped with fitted furniture, a flat screen smart TV, Wi-Fi access and telephone points so that residents can enjoy some privacy and keep in touch with loved ones as they wish. For socialising within the home, there are a variety of beautiful day spaces available including quiet rooms, a library, cinema, and a bright and airy Garden Room. We provide a full programme of activities that cater for every interest and ability, as well as excursions in our specially adapted minibuses. We even have our very own cinema where residents can share their favourite films together.

At Launton Grange, care means listening to our residents with kindness and curiosity and providing care that is centred on what works best for them.
