WELCOME TO LEIGHTON COURT

Leighton Court is a purpose-built care home in the pretty coastal area of Wallasey, Wirral, near the River Mersey, offering high-quality residential, nursing, and nursing dementia care.

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment.

Residents enjoy spacious ensuite bedrooms, which can be personalised as they wish, together with bright and welcoming communal spaces. Our large, landscaped garden and patio area provide the perfect spot to enjoy some fresh air with loved ones.

FACILITIES AND LIFESTYLE

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged. We enjoy both celebrating special occasions together and making the most of the little moments, and are proud to create a routine that brings joy for each individual.

Nutritious and locally sourced meals ensure our residents enjoy a healthy diet based on their individual needs and preferences, with ambient music, and a fully dressed dining room in the evenings making every meal special.

The benefits of group living, in the knowledge that care and support is always on hand, mean that every day can be enjoyed to the full Leighton Court.

We look forward to welcoming you
