

# Leominster

Your local Bupa care home  
in Herefordshire.

# In the heart of Leominster town

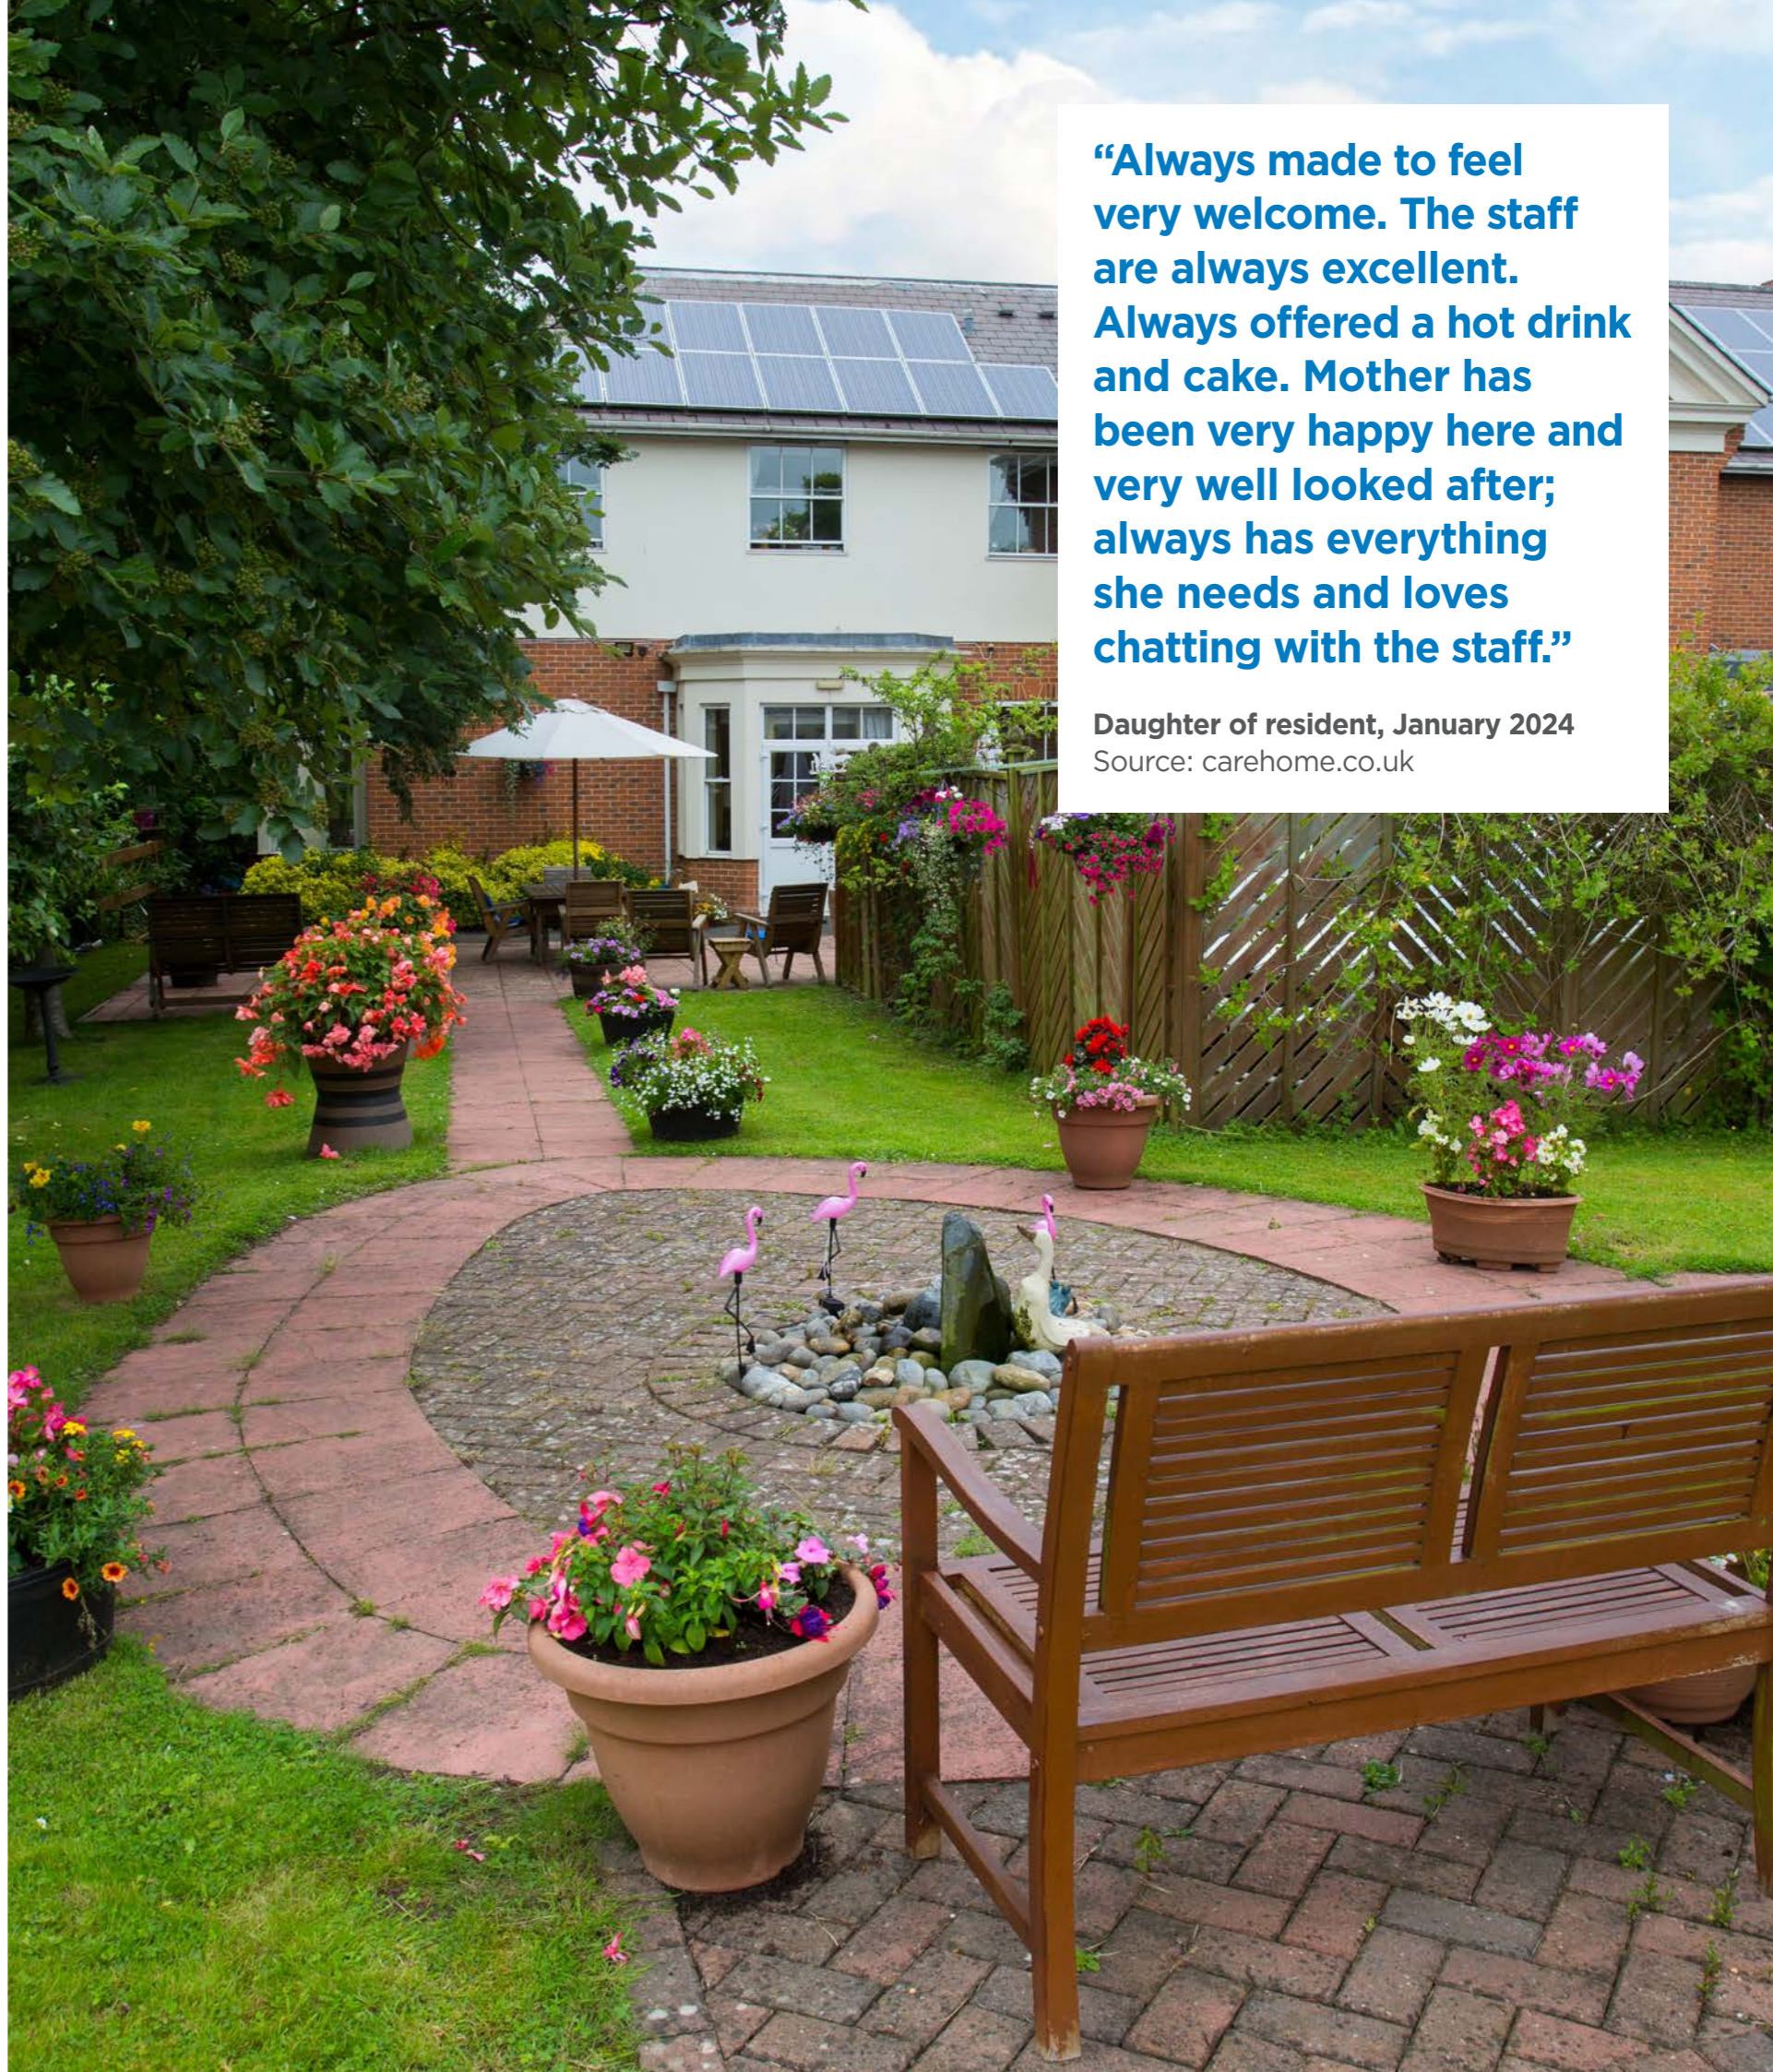

We offer a warm welcome to anyone needing residential or nursing care, with a dedicated care team on hand to offer support for conditions such as Parkinson's. We're surrounded by beautiful gardens, filled with plants potted by residents, and are close to all local amenities.

Residents and visiting family can make the most of Leominster's museum and parks, or tour the last surviving market house, Grange Court, during their busy event season.

## Our care team

At Leominster, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

**"Always made to feel very welcome. The staff are always excellent. Always offered a hot drink and cake. Mother has been very happy here and very well looked after; always has everything she needs and loves chatting with the staff."**

# Life at Leominster

We want residents to feel at home and a part of our close-knit community. They can choose to take part in lots of different activities, eat amongst friends or enjoy some quiet time alone. There’s always someone to talk to and family can drop by for a coffee at any time.

## Activities

Our dedicated activity coordinator is always busy making sure there’s something for everyone to enjoy, including those who are less mobile. Residents can get involved as much or as little as they’d like in activities such as:

- gardening, knitting, bingo and relaxing pamper days
- nature-focused trips to places like Elan Valley and boat rides with The Willow Trust
- regular visits from a local toddler group
- themed craft events for days like Remembrance Sunday and more

We’re happy for residents to continue most of their hobbies here, too. And if they’d like to suggest something new to try, we’ll do our best to organise it.

## Fresh, healthy food

Delicious meals, complete with home-grown vegetables can be enjoyed in our large dining area or in the comfort of the resident’s bedroom. Food is available throughout the day, along with a tasty night-bite menu to satisfy any late cravings.

When moving in, our chef talks to each resident about their likes, dislikes and favourite dishes, plus any special dietary needs.

## Meal times

Set meal times ensure that residents can enjoy their food without interruption. If they’d prefer to eat at a different time, that’s okay, too.

## Celebrating special occasions

If residents would like to celebrate a birthday or anniversary, we have an open space available for private dining. The room can hold up to 30 people for a buffet style party or 12 for a sit-down meal. Catering is available for an additional cost.

“When Mum was looking for somewhere to stay as she decided that she could no longer cope at home, we had no problems in coming to look around at the home. Mum has settled in very well, and everyone has been very welcoming.”

## Visits from family and friends

Family and friends are welcome to pop in at any time. You can come and dine with us for a small cost. Just let us know beforehand and mention any dietary requirements. Then we can cook up something you’ll really enjoy.
