

The Manor House

Your local Bupa care home
in Upton.

A beautiful Grade-II listed house

We offer residential and nursing care for all ages in elegant and peaceful surroundings. Ornate ceilings and panelled hallways, with tasteful period decoration and antiques dotted about, make this a very special place to be.

The shops, cafés and churches of Upton Village are in walking distance. You can be at the beach in ten minutes by car, and we're within easy reach of the tunnels and ferry over to the attractions of Liverpool.

Our care team

At The Manor House, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

"I was entirely happy with my brother's stay at the care home at all times he was treated with the utmost dignity and respect and nothing was too much trouble. The care he received was exemplary, as was the empathy afforded to me."

Dementia care

Our specialists and dementia champions help residents to lead a better quality of life. With the help of loved ones, we'll build a picture of their life story and their likes and dislikes. Then we can personalise their care and help them live the way they want to.

Life at The Manor House

Our beautiful home offers all the modern conveniences our residents could wish for. The food is good, and there's always plenty to do. Plus, family and friends are welcome to join in whenever they're in the area.

Activities

Our own coordinator plans a wide range of activities, so there's something for everyone – including those who are less mobile. Residents always have the choice of whether to join in. Our activities include:

- flower arranging, crafts and baking
- therapeutic music sessions
- bingo nights, quizzes and film club
- visiting art classes and local choirs
- bowling on the green outside
- talks on local history
- coach outings to places of interest, including New Brighton and Chester Zoo

Residents can continue most of their existing hobbies here. And they can always suggest something they'd like to try, as a group or in their room.

Fresh, healthy food

Good food is so important, for so many reasons. We prepare delicious meals for our residents to enjoy, with waitress service, in our elegant dining room. Or they can choose to take their meal in the comfort of their own room.

There are plenty of favourites on our menu, but we also talk to each resident when they move in about their likes, dislikes, and about any special dietary requirements.

Meal times

Set meal times ensure that residents can enjoy their food without interruption. If they'd prefer to eat at a different time, that's okay, too.

Celebrating special occasions

Families are welcome to host private dining for events such as birthday parties. Please let us know about your plans in advance, and we can arrange catering for an additional fee.

Visits from family and friends

Family and friends can pop by at any time. If you'll be having a meal with us, just give us a quick call and also tell us about any dietary requirements. Then we can cook up something you'll really enjoy.

“The Manor House Care Home is superb, we have no concerns about any aspect. My dad is settled and happy, we never worry about leaving him. The staff are always kind and welcoming.”
