

Mount Hall

Your local Bupa care home
in Bollington.

Set in superb private grounds

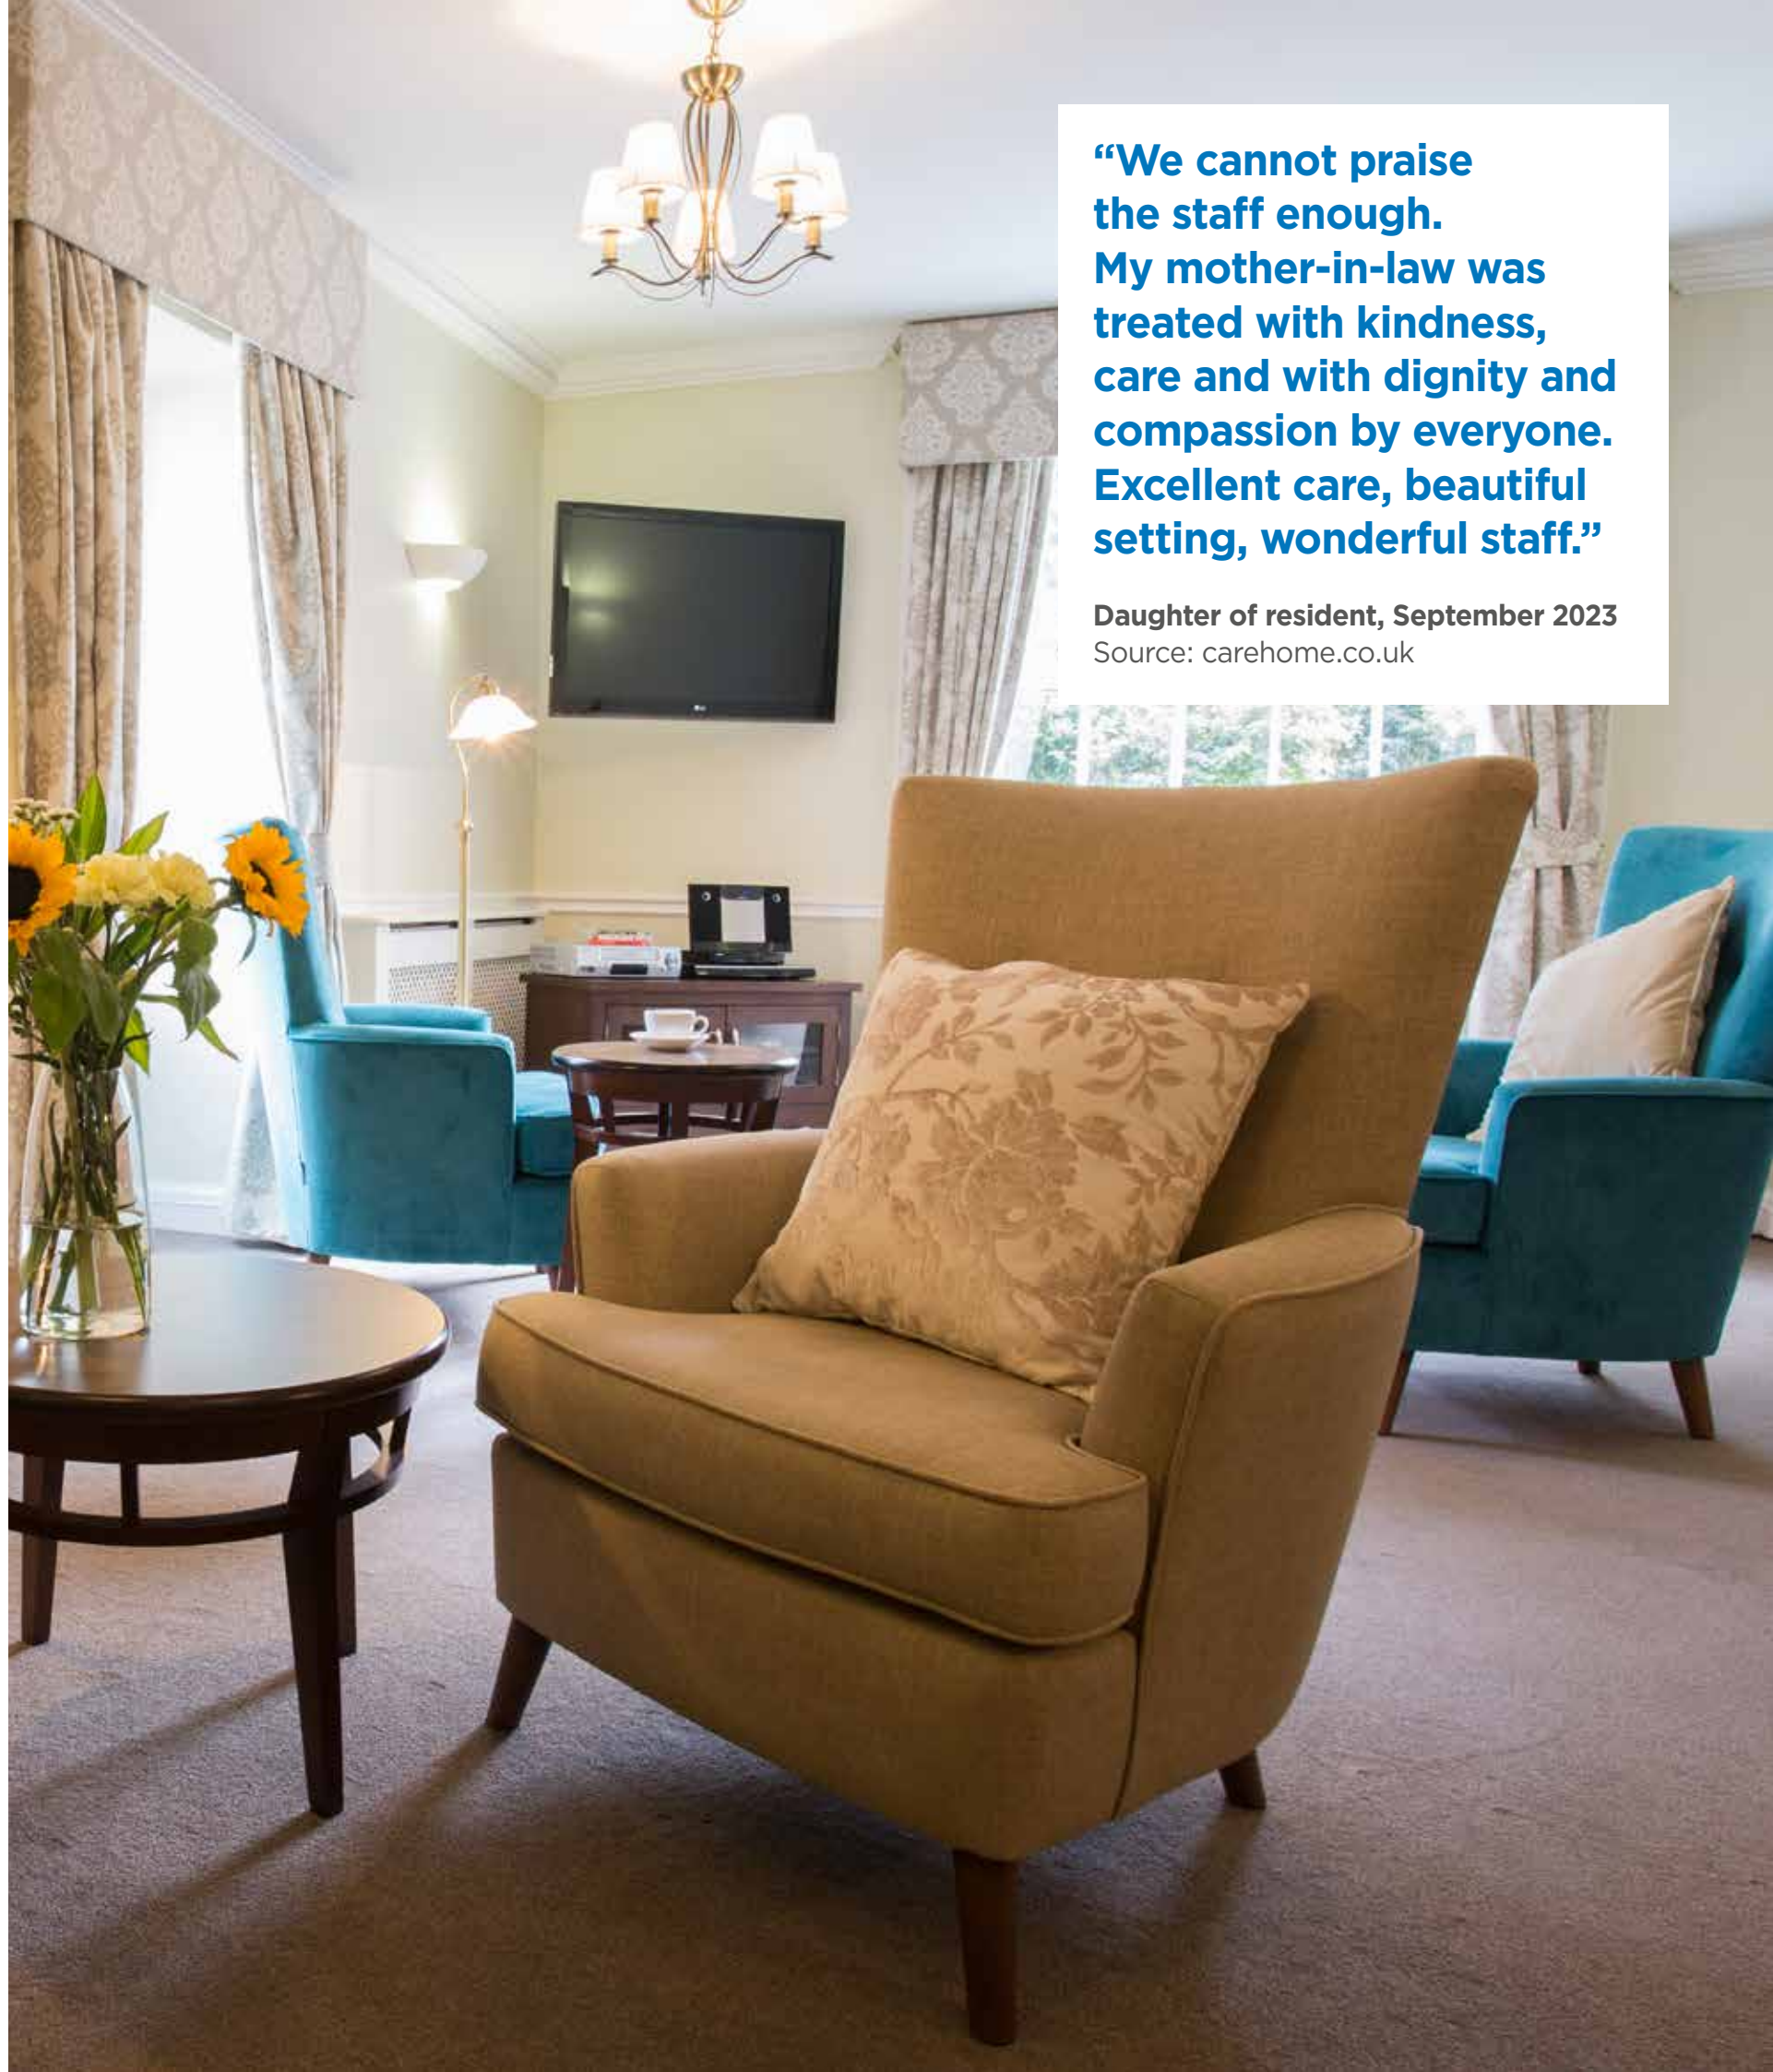

In a beautiful spot close to the edge of the Peak District, we welcome those in need of a range of residential and nursing care, including palliative and Parkinson's care.

We're just outside the small town of Bollington, with its mills, narrowboat marina and walks along the river and canal. The market town of Macclesfield, just three miles south, has a range of attractions including a silk museum.

Our care team

At Mount Hall, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

“We cannot praise the staff enough. My mother-in-law was treated with kindness, care and with dignity and compassion by everyone. Excellent care, beautiful setting, wonderful staff.”

Life at Mount Hall

We're a small and sociable community, where every resident is valued and appreciated. We're strong on activities, and our newsletter and photo board keep everyone up to date with what's going on.

Activities

Our full-time activity coordinators plan enjoyable things to do, including for those who are less mobile. For example:

- crafts such as silk-screen painting and salt dough
- visiting entertainers including choirs and pianist
- knitting group
- wreath-making and flower-arranging
- visits from exotic creatures
- outings to the cinema, canal boat trips and tea dances
- local children who come in to sing

- gentle movement and exercise sessions
- quizzes and board games.

Residents can still do most of their existing hobbies here. They can also suggest something they'd like to try, as a group or in their room.

Fresh, healthy food

Our chef prepares delicious meals and snacks for residents to enjoy in our beautiful dining room or in the comfort of their own bedroom.

There are plenty of favourites on the menu, and themed events throughout the year add extra fun and variety. We also talk to each resident when they move in about their likes and dislikes, and any special dietary needs.

Meal times

Set meal times ensure that residents can enjoy their food without interruption.

Celebrating special occasions

We have a lounge where families are welcome to host private events such as birthday parties. We'll just need to know in advance. Plus, we can arrange catering for an additional fee.

Visits from family and friends

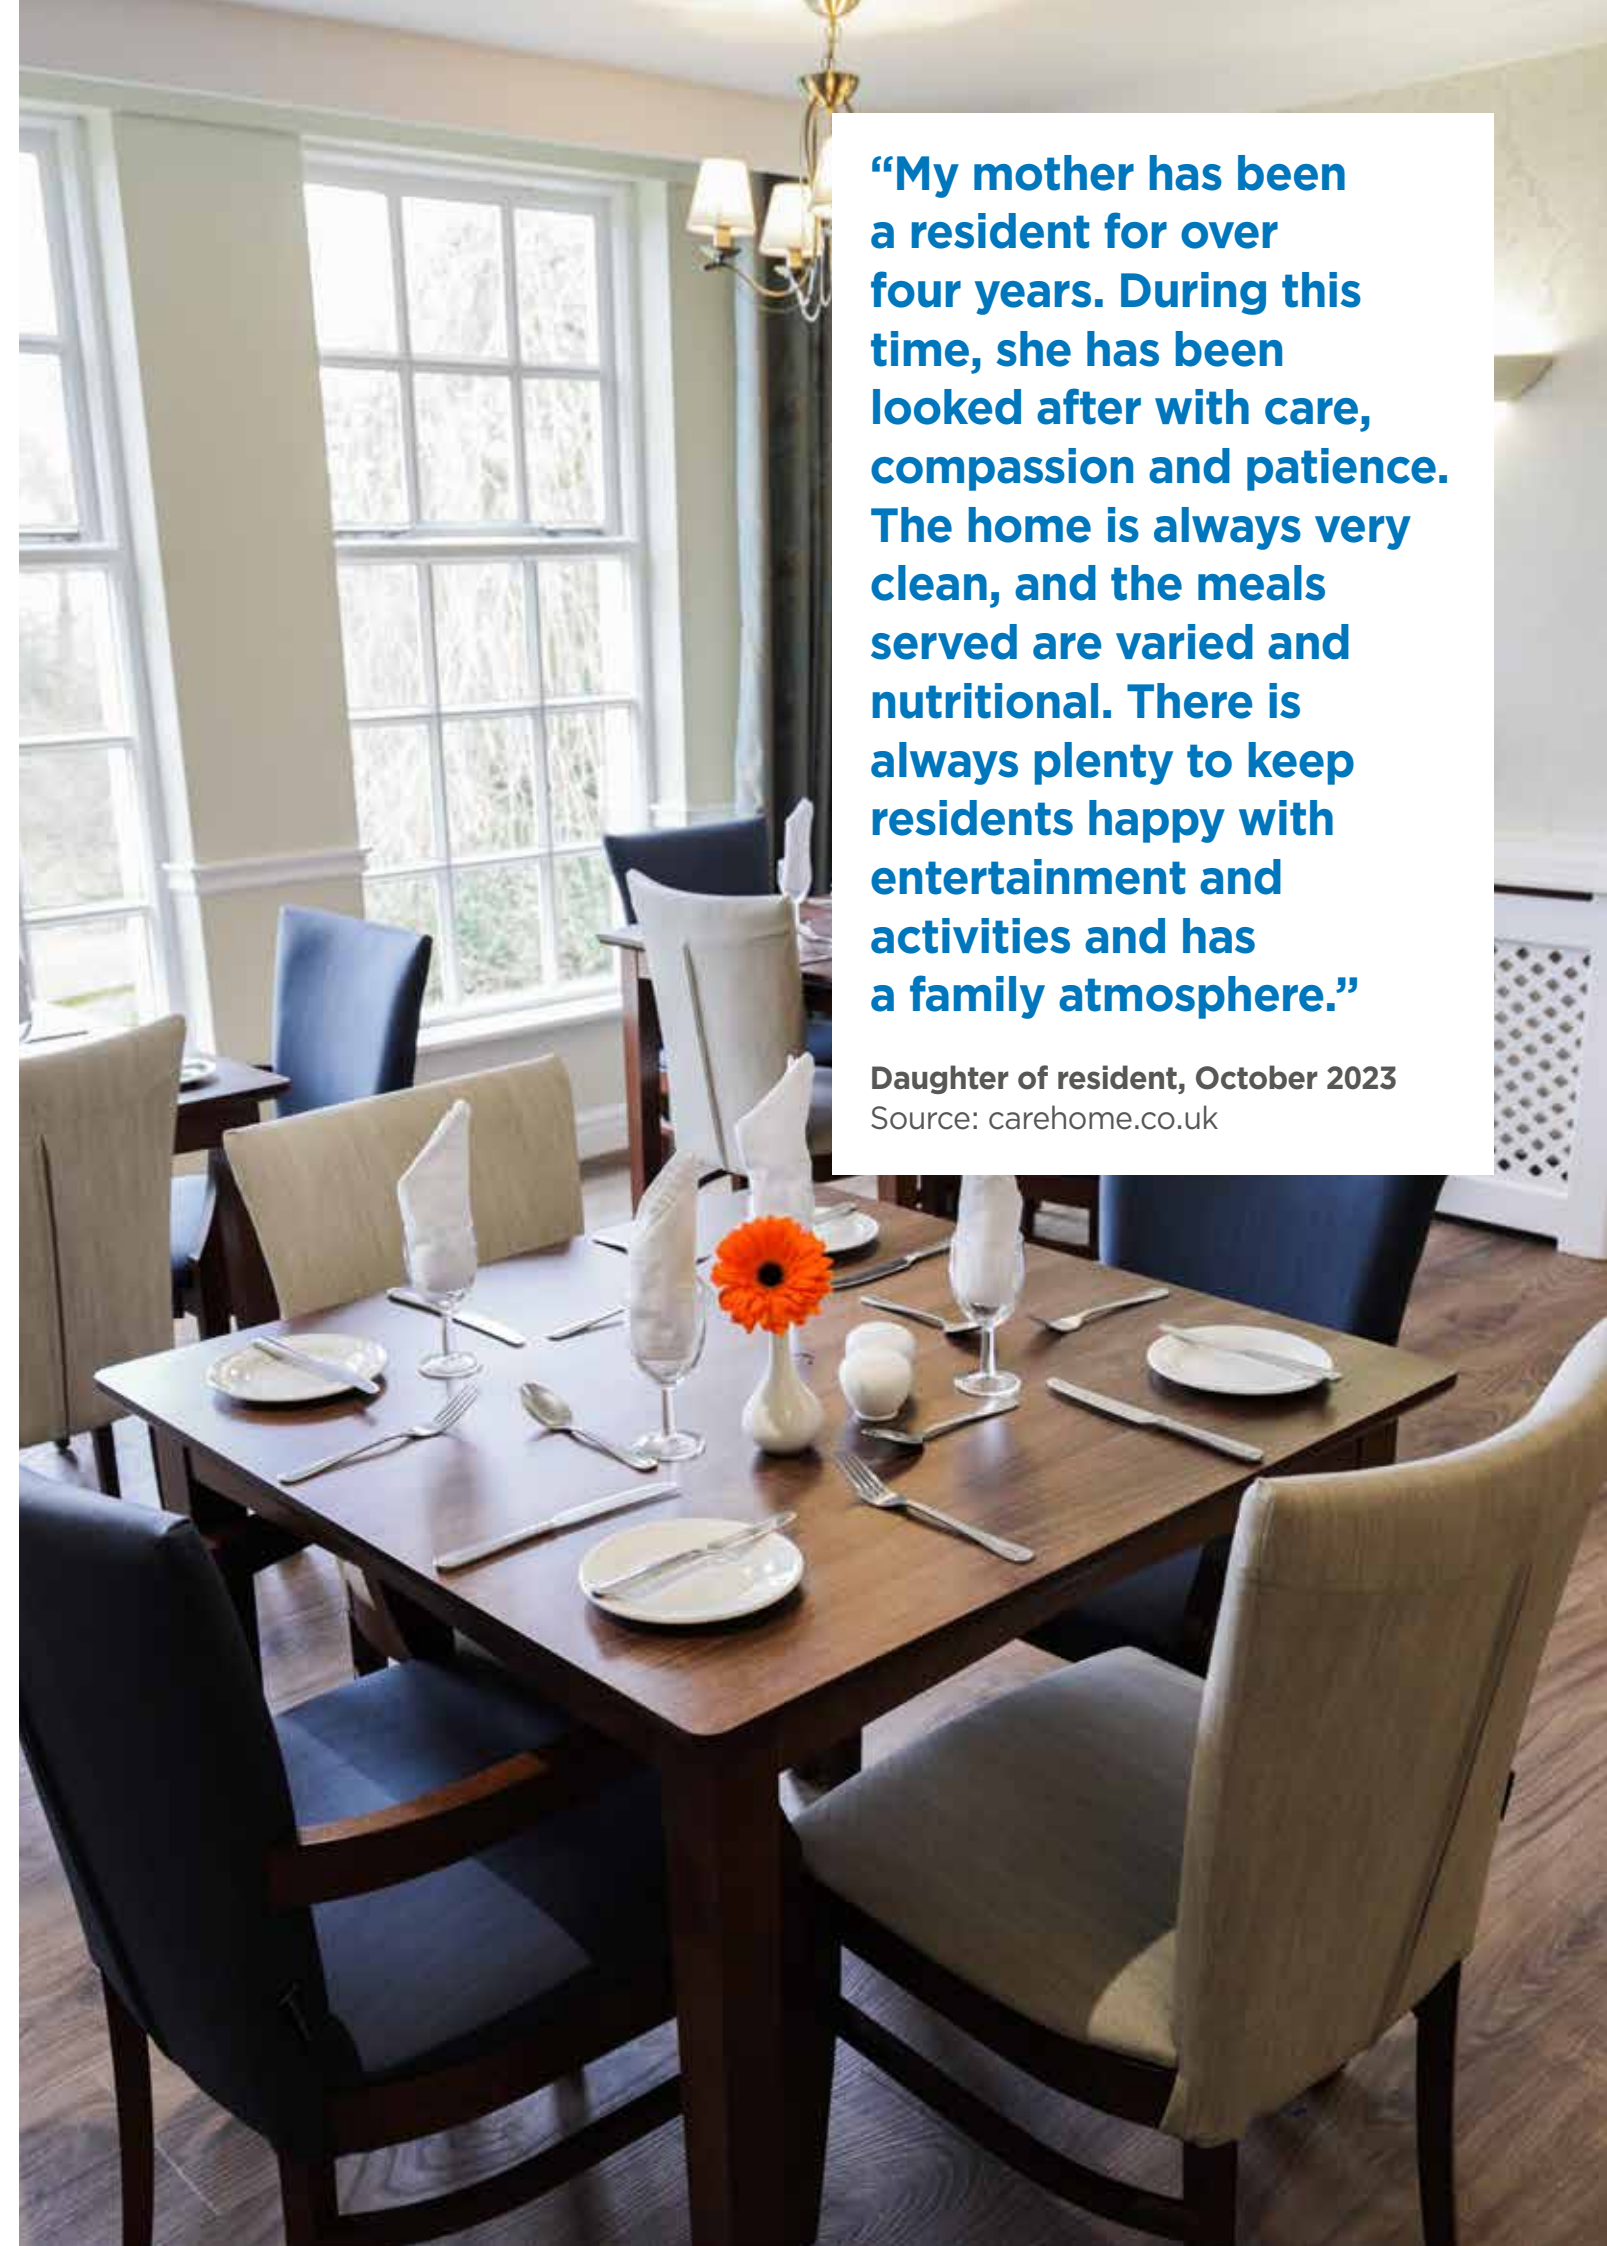

Family and friends can pop by at any time for coffee or an activity. If you'll be having a meal with us, just give us a quick call and tell us about any dietary requirements. Then we can cook up something you'll really enjoy.

"My mother has been a resident for over four years. During this time, she has been looked after with care, compassion and patience. The home is always very clean, and the meals served are varied and nutritional. There is always plenty to keep residents happy with entertainment and activities and has a family atmosphere."
