Maitland House Care Home

Award winning care in Clacton

Maitland House care home in the heart of Clacton on sea provides high-quality, respite care and longer-term support to older people.

The home is situated close to the sea front, just a short walk from the attractions of the promenade. The bedrooms at the home are all decorated individually and most have ensuite facilities. Within the care home there are cozy communal areas for the residents to relax in and enjoy each other's company, a quiet area for families to gather in and enjoy quality time with their loved ones, and a pretty dining room.

Our chef creates wonderful, freshly cooked meals and we always celebrate birthdays and special occasions with afternoon tea and a special birthday cake, personalised to the resident's interests. Menus are very diverse, and all tastes and dietary requirements are catered for.

Outside there is a secluded seaside-themed garden, with shaded areas and planters for flowers and shrubs.

There is an extensive programme of activities with our residents enjoying regular visits from entertainers, exercise classes, crafts, bingo as well as one to one interaction with staff.

There are lots of local cafes and places to visit close by, and residents enjoy visiting their local community. The home provides lots of trips for the residents to nearby attractions.

Our dedicated staff are well-trained, supportive and caring with many of the team having over 20 years' experience in the care sector.

The home is highly rated by the renowned care review website – **carehome.co.uk**, with a rating of 9.8 from over 50 reviews.
