WELCOME TO MERSEY PARKS

Situated in the peaceful residential area of Toxteth, on the outskirts of Liverpool, Mersey Parks is a warm and welcoming care home offering residential, nursing, and residential memory care for those living with dementia.

Providing the very best of care is at the heart of all that we do, and our experienced, compassionate team provide person-centred care, tailored around each individual and their own unique needs and preferences to ensure that every stay with us is a happy one.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibuss, and daily and weekly activities to suit all interests and abilities.

LIFE AT MERSEY PARKS

Each of our 150 ensuite bedrooms has been designed for optimum comfort and accessibility. With a variety of sitting rooms, dining rooms, hobby rooms, and even our very own pub, there are plenty of welcoming spaces where residents can dine and socialise in good company or take time to reflect and relax. Nutritious and locally sourced meals and snacks ensure residents enjoy a healthy diet based on their individual needs and preferences.

Externally, our delightful landscaped garden and patio areas are favourite spots for enjoying some fresh air or catching up with friends and family.

We believe that Mersey Parks is a true home away from home, and our caring team is passionate about providing everything needed for a fulfilled and meaningful life, with joy in every day.
