WELCOME TO MILLBROOK

Located in the popular Manchester town of Stalybridge, Millbrook is a friendly purpose-built care home offering residential and residential dementia care for up to 46 residents.

Providing the very best of care is at the heart of all that we do. Our experienced, compassionate team provide person-centred care, tailored around each individual and their own unique needs and preferences to ensure that every stay with us is a happy one.

We believe that Millbrook is a true home away from home, and our caring and team is passionate about providing everything needed for a fulfilled and meaningful life, with joy in every day.

LIFE AT MILLBROOK

Each of our ensuite bedrooms is fully wheelchair accessible, and able to be personalised as each resident wishes. With a choice of lounges, a kitchenette, dining area with piano, and a lovely sunlounge, there are plenty of places to socialise. For a spot of pampering and relaxation, we also have our own hair salon and nail bar and our very own cinema where residents can enjoy their favourite films together.

With well-tended grounds and secure landscaped gardens, including an exquisite water feature, Millbrook is an idyllic space where kindness and quality care go hand in hand.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibuss, and daily and weekly activities to suit all interests and abilities. Our kitchen team are proud to create nutritious, delicious meals that are enjoyed by all.
