

MILLBROOK

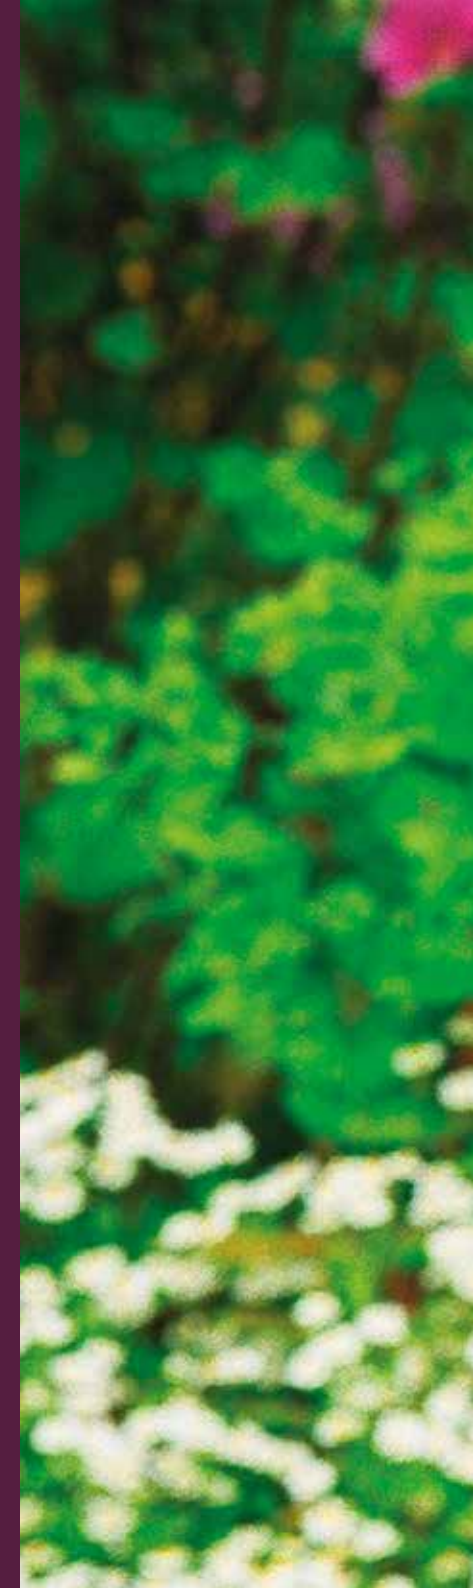

A LUXURY CARE HOME
STALYBRIDGE | TAMESIDE

Personalised care and support

Our Home Managers will ensure that all Residents receive the kindest possible care. Our extensively trained team deliver all specialist care support and services your loved one could require.

A personalised care plan will consider not only medical, personal and dietary needs, but also the individual's likes and dislikes, religious preferences, and any suggestions from family members that might make their stay with us that little bit more enjoyable.

Living in our beautiful home

Set in its own grounds, Millbrook has been tastefully designed and decorated to a very high standard with luxurious accommodation throughout, including premier rooms, to meet the needs of the most discerning. Millbrook also offers secure landscaped gardens, tended by some of our Residents. The home offers several places to relax, dine, exercise, socialise and be creative. The cinema and hairdressing salon are also very popular with our Residents. All of our stylish bedrooms and living areas are easily accessible by wheelchair. Shops and local amenities are close by.

The home's catering team has created a family atmosphere, encouraging everyone to eat and celebrate special occasions together. Residents are invited to bring along their own small items of furniture and treasured belongings so that it feels just like home. Daily life is carefully designed to support mind, body and soul led by our dedicated Wellbeing team.

Lifestyle and community

Assisted by suggestions from our Residents, our homes' Wellbeing Coordinators organise a varied year round programme of many things to do. Many Residents take pleasure in hobbies, including baking, writing, gardening, dancing, painting, quizzes and playing chess. Some enjoy being part of the Residents' forum. There is plenty to do outside the home too, and our specially adapted minibus takes Residents on trips to nearby places of interest to them.

By getting to know each individual Resident, our carers are able to encourage everyone to take an active part in the life of the home. Simple pleasures are hugely important: the morning walk, feeding the birds, baking cakes for one of our fundraising tea parties, laying the dining table, arranging flowers or distributing the post each day. But we also know and respect that our Residents value having some alone time too and we want these moments to be as joyful as any other.

A delicious dining experience

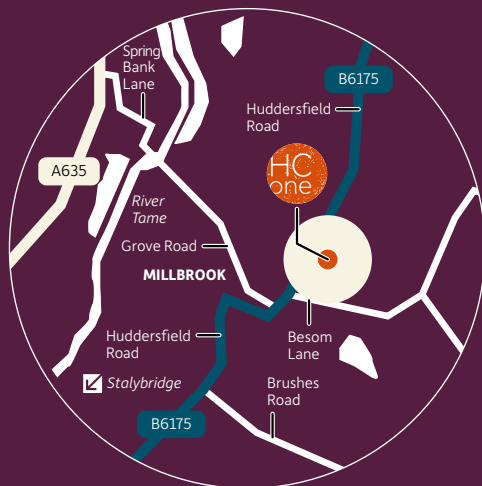

Our professional catering team takes pride on using carefully sourced fresh ingredients to create a wide variety of freshly prepared, seasonal meals. Residents at Millbrook are involved in tasting and testing meals so that they can share their preferences towards menu planning, ensuring that there are meals to suit all tastes. Care is taken over the preparation and presentation of food so that it looks delicious and appetising as it is such an important part of a person's care programme.

A wide selection of snacks and drinks are available throughout the day, as and when required.

Our Chefs provide a daily selection of home made cakes for everyone to enjoy.
