WELCOME TO MOSS VIEW

Moss View is a purpose-built 77-bed care home in Huyton, on the outskirts of Liverpool, offering residential, nursing, and residential memory care for those living with dementia.

Each of our comfortable ensuite bedrooms can be personalised to truly feel like home, while residents can enjoy a variety of places to socialise, dine, and relax with two dining areas and five sitting rooms. Many residents enjoy taking in the sun outside or helping tend to our beautiful landscaped garden, which includes a feature sensory area. Our on-site hairdressing salon is a much-loved spot for some pampering.

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider individual medical, personal, and dietary needs as well as preferences, hobbies, and anything else that can make a stay with us a happy one.

FACILITIES AND LIFESTYLE

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities. While we enjoy celebrating special occasions together, we know the little things often matter most, which is why our team help residents create a routine that brings joy to every day.

With three nutritious and locally sourced meals a day as well as a mid-morning snack and afternoon tea, our residents enjoy a healthy diet based on their individual needs and tastes.

Moss View offers a fun, safe, and inclusive home from home, where quality care and kindness go hand in hand.

We look forward to welcoming you
