LUXURY CARE FOR ROMSEY, HAMPSHIRE

The background of the entire page is a photograph of a large, modern care home building. The building is constructed from red brick and features a mix of traditional and contemporary architectural elements, including a prominent glass-enclosed upper floor. In the foreground, a well-maintained green lawn serves as a courtyard, with a large, leafy tree on the left. A paved path leads from the bottom right towards the building. Several residents are seen sitting on outdoor furniture under a white canopy in the courtyard. The sky is overcast.
