

Newfield Lodge Care Home

Supporting you or your loved one to remain independent through our person-centred care.

Thank you for your recent enquiry to Newfield Lodge care home. Please find attached a copy of our e-brochure which we hope will provide you with plenty of information on our environment, lifestyle choices and all inclusive fee offer which we provide for all our residents.

Our Home...

Our home is modern, luxurious and cosy with plenty of bright and airy social spaces for residents to enjoy. Our comfortable social spaces are the perfect place to spend time with your loved ones or guests who are always welcome to visit. Our stylish rooms all have private en-suite wet rooms and come fully furnished with fitted furniture, a flat screen TV and mini-fridge.

Our Lifestyle...

There will be lots going on at our home, from gardening clubs to dances, film afternoons and regular quizzes. Whether you want to spend the day relaxing with friends and family or taking part in one of our varied activities, there is always plenty going on at our home. Plus, our Chef makes sure that all dietary needs are met and our meals are nutritious as well as tasty.

Our Community...

After moving into our care home, residents will feel a sense of community, where new friendships are formed, existing relationships blossom and couples can find comfort in knowing that the life they share together will be nurtured and respected.

We see each resident as a unique individual which is reflected through our person-centred care. Before you move in, we'll want to know all about your likes and dislikes as well as interests and hobbies, so we have everything in place to create the aspirational lifestyle you want as soon as you move in, whether you are joining us for residential or dementia care.

We are welcoming
new residents for
short and long term
placements

Our Fees

Unlike many care homes, we offer an all inclusive fee which allows our residents to enjoy all our facilities and services without having to worry about extra costs.

Our residents and their families find this gives them peace of mind and makes things much easier when dealing with finances.
