WELCOME TO NEWLANDS CARE HOME

Situated in the quiet residential area of Heaten Moor, just outside of Stockport, Newlands is a purpose-built care home offering residential and nursing care for up to 69 residents.

Each of our comfortable, spacious ensuite rooms has been finished to a high standard, and we are happy to be able to offer flexible living arrangements options for those wishing to live with another, with some larger suites available.

Newlands features a variety of places to socialise, dine, and relax, with ambient dining areas and social lounges, while many residents enjoy taking some fresh air in our pretty garden and courtyard. Our on-site hairdressing salon is a much-loved spot for some pampering. With nutritious and locally sourced meals and snacks, our residents enjoy a healthy diet based on their individual needs and preferences.

A HOME TO MAKE YOUR OWN

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider unique medical, personal, and dietary needs as well as individual preferences.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged. While we enjoy celebrating special occasions together, we know the little things matter most, which is why our team will help residents create a routine that brings joy.

Newlands offers a fun, safe, and inclusive home from home for our residents, where quality care and kindness go hand in hand.

We look forward to welcoming you
