WELCOME TO OAKLAND

Found in a pretty, residential area just outside of Rochdale, Oakland is a purpose-built care home offering residential and residential dementia care for up to 40 residents.

With three sitting rooms, a tearoom, and two dining areas, Oakland provides a variety of communal areas for residents to relax, dine, and socialise. We also have a lovely sensory garden and conservatory. For a spot of pampering, we have an on-site hair salon and nail bar. All areas, including our ensuite bedrooms, are fully wheelchair accessible.

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans, created in collaboration with residents' loved ones, consider individual medical, personal, and dietary needs as well as their hobbies and preferences to make Oakland feel like home.

A HOME TO MAKE YOUR OWN

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to ensure residents are active and engaged. While we enjoy celebrating special occasions together, we also know that the little moments can often matter just as much, which is why our team help residents create a routine that brings them joy.

With three nutritious and locally sourced meals a day as well as a mid-morning snack and afternoon tea, our residents enjoy a healthy diet based on their individual needs and tastes.

Oakland offers a fun, safe, and inclusive space for our residents, where kindness and quality care go hand in hand.

We look forward to welcoming you
