

# OAKTREE COURT

by Majesticare

A Place to Call Home.

I have often visited Oaktree Court for community events over the last six years. I love its grounds and communal coffee area, and having the chance to support them but also chat to some of the residents, who not only love to have different visitors and company telling you their stories, but also listening to how they love living there. It is also great to see so many of the same staff who have been there for a number of years, which must be reassuring and supportive for residents. Especially given the industry.

# This is Lifestyle.

At Oaktree Court, we believe life should be full of adventure, creativity, and connection. We offer a variety of engaging and inclusive activities for everyone to enjoy.

As active members of the local community, we regularly welcome visitors, entertainers, and guest speakers, bringing new experiences to our residents. We also host seasonal events like our annual dog show, summer fête, and Easter egg hunt, all planned with our residents' input.

With our trusty minibus, we take regular trips into the community, including intergenerational visits to the local preschool.

And when it comes to wellbeing, our team ensures there are plenty of opportunities to stay active - whether it's fitness sessions, pamper days, or seated yoga, there's always something to look forward to!
