

Pebble Mill

Your local Bupa care home
in Edgbaston.

A modern, purpose-built home

Our purpose-built home welcomes residents with a range of needs, including residential, nursing and Parkinson's.

The former home of the fondly remembered BBC Pebble Mill Studios, our home retains a modern aesthetic with a comfortable twist. You'll find us in the heart of Edgbaston, just a stone's throw away from the iconic Edgbaston Stadium cricket ground and a little over a mile from Birmingham city centre.

Our care team

At Pebble Mill, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

“Very well organised. Staff are very caring and attentive. Building and garden are very attractive. Food excellent.”

We want everyone to feel at home and enjoy their time here. Our friendly staff are always willing to go above and beyond to make sure our residents are as comfortable as possible. There's plenty to do, great food to be had and lots of friends to be made.

Activities

We have fantastic activity co-ordinators who plan a range of activities that are accessible to all. Residents can enjoy:

- painting classes
- pampering sessions
- pub quizzes
- baking sessions
- singing
- gentle exercise classes
- supported walks
- gardening
- arts and crafts
- pet therapy
- visiting entertainers such as singers and dancers

Residents can still do most of their existing hobbies here. They can also suggest something they'd like to try, as a group or individually.

Fresh, healthy food

Our chefs prepare delicious and nutritious food to suit a range of dietary requirements. Meals can be enjoyed in the company of friends or in the comfort of resident's own rooms. We're sure we'll have some favourites on the menu.

When resident's first move in, we talk to each of them about their dietary needs, likes and dislikes so we can get their food just right.

Meal times

Set meal times ensure residents can enjoy their food without interruption but if they'd prefer to eat at a different time, that's okay too.

Celebrating special occasions

We'd love for residents to enjoy a special occasion with loved ones, like birthdays and anniversaries. That's why we have a private dining area to host small parties. Just give us a call in advance to arrange.
