

The Priory

Your local Bupa care home
in Monkspath.

A peaceful neighbourhood

Our doors are open to anyone in need of nursing or residential care. We're in a quiet spot, backing onto the green expanse of an 18-hole golf course.

There are shops and a post office just over the road, and bus stops outside the home make it easy to get to Shirley, Solihull and Birmingham. Hillfield Park is around the corner, offering pleasant walks around its lake and gardens.

Our care team

At The Priory, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

“The staff are outstanding, all of them, and the facility is extremely well managed. Mom has adapted really well to her routine, the food, the staff and The Priory have provided everything we could have asked for.”

Life at The Priory

Our residents live the way they want to, with as much independence as possible. They can hand-pick which activities they'd like to join in with, select a family favourite for dinner and invite loved ones over at any time.

Activities

We have a coordinator who plans all sorts of interesting activities for our residents, including for those who are less able. For example:

- quiz sessions and bingo
- themed craft events and painting classes
- walking and gardening clubs
- sing-a-long sessions featuring all the classics
- discussion groups
- film experience sessions
- gentle exercise classes
- community tea dances
- visits from a local nursery group

Residents can still do most of their existing hobbies here. And they can always suggest something they'd like to try, as a group or in their room.

Fresh, healthy food

Delicious meals can be enjoyed in our dining area or in the comfort of the resident's own room. Regular themed meals add a bit of extra fun, whether for special occasions or celebrating different cuisines.

When residents move in, we talk to them about their likes, dislikes and any special dietary needs.

Meal times

Set meal times ensure that residents can enjoy their food without interruption. Snacks and sandwiches are available day and night.

Celebrating special occasions

We have a couple of rooms where families can host private events such as birthday parties. Just tell us when you'd like to be here, and whether you'd like us to provide catering for an extra fee.

Visits from family and friends

Loved ones are welcome to join us for coffee or an activity at any time. We'll pop the kettle on as soon as you get here. If you'll be having a meal with us, just give us a quick call beforehand, and do mention any dietary requirements.

“Both my parents are at The Priory. The building and facilities are very good, clean and well maintained. The staff are excellent, caring and responsive.”
