A WARM WELCOME TO PARKFIELD GRANGE

It is our pleasure to introduce you to Parkfield Grange, our brand-new luxury care home in the West Midlands town of Stourbridge. Famed for its glassmaking, Stourbridge is a town rich with history. It offers beautiful countryside and parks, stunning woodlands and the best of both country and city living with its close proximity to Birmingham.

Parkfield Grange is a thoughtfully designed care home with 68 spacious ensuite bedrooms, including a community dedicated to the care of people living with dementia. For couples, or for those who would prefer additional space, we have 6 luxurious one-bedroom care suites, allowing for a bit more independence whilst still receiving the same excellent round-the-clock care.

Our compassionate team is dedicated to the health and wellbeing of everyone they care for and give families and friends complete reassurance and peace of mind that their loved ones are in the very best hands.

Whatever your hobbies or interests, Parkfield Grange will be sure to delight and inspire. Our first-class facilities allow our residents to continue to enjoy their hobbies, such as watching classic films in the cinema room, painting or crafting in the activities studio, or getting pampered in the hair and beauty salon.

Whether you are looking for residential, dementia, or respite care, we would love to hear from you, so please get in touch with our friendly team and discover what makes Parkfield Grange special.

Best wishes,

The Parkfield Grange Team

At Parkfield Grange, our world revolves around our residents. The holistic approach to the comfort and wellbeing of each and every person who lives with us places respect and dignity at the forefront of the care that we pride ourselves in delivering. Our professional and dedicated team strives to make each day special for all of our residents, offering tailored support and exemplary care as often, or as little as needed.

We encourage anyone moving in with us to make their new home their own by bringing any treasured items of furniture or keepsakes with them – we will always endeavour to accommodate and exceed expectations.

Cinnamon is confident that our remarkable care homes will inspire the reassurance and trust you need when looking at care for a loved one.

BESPOKE DEMENTIA CARE

We believe that it is possible to live an active and fulfilling life after a diagnosis of dementia.

Our trained team understands the different types and stages of dementia and the challenges associated with each. Known for their patience, empathy and compassion, they always ensure the dignity and wellbeing of our residents is upheld while offering continued support for family and friends.

We meticulously plan sessions to promote peaceful reflection to calm and soothe, whilst other activities stimulate and encourage our residents to socialise in a warm, friendly and safe environment.

SHARE THE GOOD TIMES WITH US

Our residents will be certain to find something they love at Parkfield Grange, from enjoying a relaxing cup of tea and a good book in one of our comfortable lounges or gardens, to taking part in an active exercise class adapted for their needs and abilities. We also have our own transport, meaning everyone can still enjoy getting out and about on one of our regular scheduled outings and day trips.

Our dedicated team is always creating new and inventive ways to keep our residents engaged in life-enriching activities and connected to their loved ones at all times. We thoroughly enjoy interacting with the local community, and often have visitors from schools and churches to entertain our residents.

LET US INDULGE YOU

Our talented team of chefs are passionate about creating exciting, varied menus using only the best fresh produce. After consulting with residents to discover their preferences and dietary requirements, they ensure that every meal served is both nutritionally balanced and utterly delicious.

There's nothing better than sharing a beautifully prepared meal with friends and family. Here at Parkfield Grange your friends and family are

always welcome to dine with us, so why not bring them along for a warming cup of coffee, a tasty lunch or delight in an evening meal surrounded by your loved ones.

We always love to help our residents celebrate special occasions with the people closest to them. Our private dining room is the perfect place to get together and enjoy exquisite food and the very best company.

Everyday activities are designed around you. We believe that our residents should stay active and independent, whilst continuing to make decisions for themselves.
