WELCOME TO PRIORSLEE HOUSE

Priorslee House is a luxury care home in Telford, combining beautiful accommodation and state-of-the-art facilities with specialist care across our residential and residential dementia care communities.

Priorslee House provides a variety of communal areas for residents to relax, dine and socialise, while residents can benefit from a wide variety of activities, from a special meal in our private dining room, The Wrekin, to a pampering session in our on-site Severn Salon. Others may prefer a peaceful afternoon in the reading room or catching up with loved ones in our Vestibule café bar.

Each of our 71 ensuite bedrooms are well appointed and tastefully decorated, with many ground floor bedrooms boasting direct access to our beautiful, landscaped gardens, where residents can also enjoy a spot of alfresco dining on sunnier days.

A HOME TO MAKE YOUR OWN

At Priorslee House, we know that every individual has different needs, our personalised care plans are designed to reflect the unique requirements and preferences of each resident. Our team take the time to discover what really matters to each individual and help our residents to build a routine that reflects that.

Our Activities Programme is second to none, with residents encouraged to continue much-loved hobbies, and to begin new ones. We're proud to be a welcoming home where residents are relaxed, happy and fulfilled, with care always on hand should it be required.

We look forward to welcoming you
