

Our Core Values

Our Core Values are central to everything we do. We are committed to offering high quality care and support, delivered with dedication, compassion and sensitivity.

- We understand that the little things are important to you. As such, we will work with you and those closest to you.
- Working together, we actively respect and encourage the right to independence and support people to achieve their aspirations and live full and meaningful lives.
- We actively listen and respond to the people we support, promoting a culture of involvement and participation.
- We strive to create a safe, friendly and caring environment, where people are treated with courtesy, dignity and respect.
- We treat people fairly and behave with honesty, integrity and openness at all times.
- We recognise that our staff are our greatest asset. We actively promote a culture of learning and development – supporting our staff to be the best that they can be.

"For anyone searching for that special care need look no further. This company stands out leagues from the competition, for the sheer care and passion they invest into all that they do. Rest Assured Homecare offers a Safe, Effective, Caring, Responsive, Well-led service to all those in special need. Each representative of RAH, displays the compassion required to deliver care that is so vacant in many of the care services available today. I would not hesitate to recommend Rest Assured Homecare."

Member of staff
