WELCOME TO RIDGEWAY RISE CARE HOME

Ridgeway Rise Care Home is a purpose-built luxury care home in Blunsdon St Andrew, offering nursing, residential, dementia and respite care. Encompassing 73 spacious and beautifully decorated en-suite bedrooms, each one has been designed to offer our residents a high level of comfort and a home-from-home environment.

We make every day as interesting and as enjoyable as possible. This is achieved by combining the highest quality of care alongside a variety of enriching activities, all designed to enhance our residents' well-being and sense of routine.

We are one big family here at Ridgeway Rise, whether you are a resident, a member of our team or simply just visiting for the day. We understand a great family makes a house a home and we'd love you to be part of ours.

OUR AIM

The care we give to our residents is straightforward, practical and above all, tailored to their individual needs. We take the time to get to know our residents, to help them retain connections to their family and friends, their community and their past. Everyone has a rich history of life experiences and we want to make the most of these in the care we provide.

A photograph of an elderly woman with short grey hair, wearing a beige cardigan and a patterned scarf, sitting at a table in a bright, modern dining area. She is smiling and looking towards the right. The table in front of her has several white coffee cups and saucers. Other people are partially visible around the table, and the background shows a bright, airy interior with large windows and modern decor.

“Our whole experience at Ridgeway Rise was wonderful - from the moment I stepped into the home to view it for the first time. Everyone is so lovely and friendly and nothing is ever too much trouble.”

AS POSSIBLE

A WARM WELCOME AWAITS

We believe in looking after more than just the care needs of our residents. We want to enhance general wellbeing – encouraging both active body and mind – by providing the highest quality of life for each and every one of our residents.

We understand the importance of supporting our residents to stay active and enjoy life which is why we regularly celebrate British and international holidays, awareness days and themed events. Ridgeway Rise promotes multigenerational interactions and we often open our doors to local schools, nurseries and Scouts groups for fun filled and educational activities.

We have very strong links with our local community and love to take part in events in conjunction with friends and neighbours, such as a recent Alzheimer's Society Memory Walk. We're also proud supporters of Swindon Football Club.

OUR VALUES

Our core values of integrity and accountability are underpinned at all times by the experience of our residents. While the move to a care home can be a big change in lifestyle, at Ridgeway Rise it is very much a positive one and we work hard to ensure it is as smooth as possible.
