WELCOME TO ROXBURGH HOUSE

Situated in Cradley Heath, Roxburgh House is a friendly care home offering residential and residential dementia care for up to 42 residents.

Offering a warm and homely environment, we pride ourselves on offering a loving and caring home where residents are supported around the clock.

Roxburgh House's extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged.

A HOME TO MAKE YOUR OWN

A favourite spot for residents at Roxburgh House is our pretty garden, featuring a dementia-friendly decked area with seating and raised flower beds, tended to by some of our residents. A bright conservatory allows residents to enjoy some sun and garden views all year round, while with a choice of sitting rooms and dining areas, residents have a choice of options for relaxing, dining, and socialising. Our comfortable bedrooms and living areas are all easily wheelchair accessible.

With nutritious and locally sourced meals and snacks, our residents enjoy a healthy diet based on their individual needs and tastes.

Roxburgh House offers a fun, safe, and inclusive home from home where quality care and kindness go hand in hand.

We look forward to welcoming you
