Life at Shockerwick House

There is so much to enjoy here, from graceful interiors and superb food to the ornamental gardens and woodlands. Our community is small and sociable, with lots of opportunities for activity, relaxation and delightful dining experiences.

Activities

Our own activity coordinator plans plenty of things to do throughout the year, indoors and out, including for residents who are less mobile. There are activities such as:

- quizzes, crafts, cookery, gardening
- visits throughout the year from speakers and entertainers
- visits from local children as well as dog therapy.

Residents can continue to enjoy most of their existing hobbies at Shockerwick House. And they can always suggest something they'd like to try, as a group or in their room.

Fresh, healthy food

Our lovely panelled dining room sets the scene perfectly, although residents can also choose to eat outside or in their room. Our carefully crafted menu includes a wide array of fresh fruit and vegetables.

When they move in, we talk to each resident about their likes and dislikes and any special dietary requirements.

Meal times

Set meal times enable residents to enjoy their food without interruption. If they'd prefer to eat at a different time, that's okay, too.

Celebrating special occasions

Residents are welcome to invite guests to celebrate privately in a choice of spaces around the house and grounds. For an additional fee, we can cater for drinks, canapés, meals and picnics.

Visits from family and friends

We encourage our residents to invite family and friends to share any occasion or activity. That could include popping in for a coffee, dining together, walking in the woods, or enjoying an activity together.

“The staff were professional, kind, and helpful. They went out of their way many times to ensure that my stay was a good, beneficial experience. I am very grateful to them for looking after me so well.”
