

Sandhills Court

Your local Bupa care home
in Scunthorpe.

Bright, spacious and airy

Here at our lovely purpose-built home close to the town centre, we welcome those in need of residential care. That includes people living with dementia in need of residential support.

There are lots of local shops, including a Sainsbury's over the road. 100 yards away is the Baths Hall, a modern auditorium in a 1930s bath house, offering music, comedy and dance. The North Lincolnshire Museum is under a mile away.

Our care team

At Sandhills Court, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

“My mum has been a resident since August 2020. The staff have been fantastic. Mum is well-loved by all and the standard of her care is superb.”

What we offer

We've thought of everything here, so there's a wide variety of rooms for residents to use, whatever their care needs. There's a real homely feel to Sandhills Court, too, and every area is attractively decorated and furnished.

Types of care

- Residential
- Dementia residential
- Short stay
- Convalescence
- Palliative

Dementia care

Our team of trained Dementia Friends can help residents lead a better quality of life. With family support, we build a picture of each person's life story and preferences so we can personalise their care and help them live the way they want. This includes a daily routine, just like at home.

Variety of comfortable bedrooms

We have 77 rooms, four of which can accommodate couples. You can also expect:

- en suite WC and shower
- shared bathrooms on each floor
- garden view from most rooms
- flat screen TV.

Residents are welcome to bring personal items from home, such as pictures and knick-knacks.

Services available to all

- External GP visits
- Advice from a nutritionist
- Eye care from an optician
- Visits to a dentist
- Wifi throughout the home
- Laundry and cleaning

Plus, for an additional cost, residents can benefit from:

- chiropody
- on-site hairdresser and beautician.

Shared areas around the home

There are lots of places to relax here. Residents can get their hair and nails done in our salon, watch a movie in our cinema room, or enjoy fresh cakes in our own coffee shop. There are plenty of lounges to choose from, including two which are designated quiet areas.

Outside, our wrap-around gardens are perfect for a daytime stroll. And there's a secure courtyard and garden just for our residents living with dementia.

Speak to us about costs

Our fees vary depending on the care needed and the bedroom chosen. We'd be happy to run through costs and answer any questions.

Life at Sandhills Court

We want our residents to settle in quickly and be happy here. We're a warm community, large enough to make lots of new friends. The food is good, the care is genuinely kind, and there are always interesting and enjoyable things to do.

Activities

Each week residents decide what's going to be on our activity calendar with the help of our coordinator. There's always something for those who are less mobile, too. For example:

- weekly manicures and hand and foot massages
- music, dance and exercise
- arts and crafts, flower-arranging
- quizzes, games and puzzles
- visiting pianists, trumpeters and singers
- weekly karaoke with open bar
- afternoon movies with popcorn
- visits from local schools
- afternoon tea at the garden centre.

Residents can still do most of their existing hobbies here. They can also suggest something they'd like to try, as a group or in their room.

Fresh, healthy food

Our chef prepares delicious meals and snacks for residents to enjoy in one of our dining rooms or in the comfort of their own room. There are plenty of favourites on the menu, and regular themed nights focus on different cuisines, such as Spanish or Chinese.

We also talk to each resident when they move in about their likes, dislikes and any special dietary needs.

Meal times

Set meal times ensure that residents can enjoy their food without interruption. If they'd prefer to eat at a different time, that's okay, too.

Celebrating special occasions

We're happy to make space available for families to host private events such as birthday parties. We'll just need to know in advance. Plus, we can arrange catering for an additional fee.

Visits from family and friends

Loved ones can pop by at any time for coffee or an activity. If you'll be having a meal with us, just give us a quick call and tell us about any dietary requirements. Then we can cook up something you'll really enjoy.

“The care that is constantly given to me and my mum is excellent. The home has a family feel in a 5-star hotel setting. All of the staff are so caring, approachable and professional. I would absolutely recommend this home in a heartbeat.”
