WELCOME TO SANDON HOUSE

Set in the small town of Mossley, Greater Manchester, Sandon House is a welcoming care home offering residential and residential dementia care for up to 42 residents.

Offering a warm and homely environment, we pride ourselves on offering a loving and caring home where residents are supported around the clock.

Personal care plans, created in collaboration with residents and their loved ones, consider unique medical, personal, and dietary needs as well as individual preferences.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged.

FACILITIES AND LIFESTYLE

With a choice of living rooms and dining areas, residents have a choice of options for relaxing, dining, and socialising. Nutritious, locally sourced meals are a highlight of each day, tailored to individual needs and tastes.

Our comfortable bedrooms are all easily accessible by wheelchair and can be personalised to truly feel like home. An in-house hair salon keeps residents looking and feeling their best, while small luxury items can be purchased our convenient shop. Externally, our pretty landscaped garden is tended to by some of our more green-fingered residents.

Sandon House is a home away from home that combines quality care with fun and family, providing everything needed for a happy and fulfilling life.

We look forward to welcoming you
