## LIFE AT ST. JAMES' PARK

---

**Nestled in the charming village of Bradpole on the beautiful Jurassic Coast near Bridport, St James' Park offers residential and nursing care for up to 31 residents.**

With a choice of sitting rooms and dining areas, residents have a variety of options for relaxing, dining, and socialising: nutritious and locally sourced meals are a true highlight of each day!

Our in-house hair salon helps keep residents looking and feeling their best, and a reading room is available to those who enjoy relaxing with a good book. Catching up with loved ones in our pretty landscaped garden, which is tended to by some of our more green-fingered residents, is a perfect way to spend an afternoon.

## A HOME TO MAKE YOUR OWN

---

St James' Park's extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider individual medical, personal, and dietary needs as well as preferences and hobbies.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged. While we enjoy celebrating special occasions together, we know the little things can often matter most, which is why our team help residents create a routine that brings them joy every day.

St James' Park offers a fun, safe, and inclusive home from home for our residents, where quality care and kindness go hand in hand.
