WELCOME TO SUMMERVILLE

Summerville is a welcoming care home in a quiet area of Stockton Heath in Warrington, offering residential and nursing care for up to 43 residents.

Offering a warm and homely environment, we pride ourselves on offering a loving and caring home where residents are supported around the clock.

Personal care plans, created in collaboration with residents and their loved ones, consider unique medical, personal, and dietary needs as well as individual preferences.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged with a routine that brings them joy.

LIFE AT SUMMERVILLE

Summerville features a variety of places to socialise, dine, and relax, including a quiet room, and a dedicated hobby and interest room. Many residents enjoy taking in the sun in our beautiful landscaped garden or tending to our bedded plants. Our on-site hair salon is a much-loved spot for some pampering. All of our bright, comfortable bedrooms are fully wheelchair accessible, and can be personalised by residents if they so wish.

With nutritious and locally sourced meals and snacks, our residents enjoy a healthy diet based on their individual needs and tastes.

Summerville offers a fun, safe, and inclusive home from home where quality care and kindness go hand in hand.

We look forward to welcoming you
