WELCOME TO SUNNYSIDE

Located in Droylsden, just four miles east of Manchester, Sunnyside is a friendly 43-bed care home offering residential and residential dementia care.

With stylish décor and lovely views of the garden, Sunnyside offers a variety of places for residents to socialise, dine, and relax. Many residents enjoy helping tend to our peaceful landscaped garden and patio. Our on-site hairdressing salon is a much-loved spot for some pampering. All the comfortable, ensuite bedrooms and living areas are fully wheelchair accessible.

With three nutritious and locally sourced meals a day as well as a mid-morning snack and afternoon tea, our residents enjoy a healthy diet based on their individual needs and tastes.

A HOME TO MAKE YOUR OWN

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider individual medical, personal, and dietary needs as well as preferences, hobbies, and anything else that can make a stay with us a happy one.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities. While we enjoy celebrating special occasions together, we know the little things can often matter most, and our team will help residents create a routine that brings them joy.

Sunnyside offers a fun, safe, and inclusive home from home, where quality care and kindness go hand in hand.

We look forward to welcoming you
