EXCEPTIONAL STANDARDS OF CARE

Telford Hall is a modern, light and airy care home proud to be at the heart of the local community.

Our home provides specialist nursing, dementia and residential care home that also offers short-term respite stays.

We are passionate about providing the best possible care. Our kind and attentive staff help residents to feel happy and safe and supported to be as independent as they can be.

Residents are encouraged to make their bedrooms feel homely with personal items and we love listening to their ideas for activities.

Our activities co-ordinator Maria has won awards for her inventive and caring activities in the home. Kevin, our resident chef, creates a daily menu of delicious and nutritious food using fresh and locally sourced ingredients.

We're like an extended family here and we're so proud that residents see Telford Hall as a 'home from home' as that's what we strive for.
