The Gables Care Home

Award winning care in Chatteris

The Gables care home in the heart of the Fenland town of Chatteris provides high-quality, respite care and longer term support to older people.

The home is situated close to the town centre, with the bus stop conveniently placed directly outside the entrance to the home. The bedrooms are all decorated individually and most have ensuite facilities. Within the care home there are large communal areas for the residents to relax in and take part in activities together, a quiet lounge for families to gather in and enjoy quality time with their loved ones, and a pretty dining room.

Our chefs create wonderful, freshly cooked meals and The Gables always celebrate birthdays and special occasions with afternoon tea. Birthday cakes are personalised to the resident's interests. Menus are very diverse, and all tastes and dietary requirements are catered for.

Outside there is a secluded and beautiful garden, with shaded areas and flowering shrubs. The garden was awarded Best Care Home Garden in the Anglia in Bloom awards 2023.

There is an extensive programme of activities with our residents enjoying regular visits from entertainers, excursions, exercise classes, crafts, bingo as well as one to one interaction with staff.

Residents and staff enjoy keeping the garden well maintained with planting, weeding and general

maintenance, helping them to enjoy the peaceful nature of the garden.

There are local cafes and places to visit close by, including the Museum and St Peter's Church. The home provides lots of trips for the residents to nearby attractions such as Anglesey Abbey, The Raptor Foundation and trips along the River Ouse on a specially adapted boat, The Ladybird.

Our dedicated staff are well-trained, supportive and caring with many of the team having over 20 years' experience in the care sector.

Don't just take our word for it - we are extremely proud to be rated in the top 3 care homes in the East of England for the 7th year running by the renowned care review website - carehome.co.uk
