

THE HALL

RESIDENTIAL HOME
AND CARE CENTRE

making new memories

The Hall is a true home from home, lifelong, care environment providing five star comfort and security within a beautiful historic building

Having been lovingly restored, The Hall offers the very best facilities in the region for truly lifelong care. The addition of nine brand new rooms reflects our dedication to providing a luxurious lifestyle choice.

Located in the picturesque village of Thornton-Le-Dale, there are now 47 stunning rooms, including flats which are ideally suited to married couples or siblings wishing to live together. Each room has an en-suite bath or full shower room, has been beautifully designed by a local interior designer and has spectacular views of the surrounding countryside and wildlife.

The expert team at The Hall is dedicated to improving and maintaining quality of life for all its residents. The enthusiastic activities co-ordinator provides a variety of person centred care-activities based on individuals' needs and wishes to allow everyone to lead an active life, creating a vibrant environment and generating fun and conversation.

- **24 hour care and support • Day care and respite services**
- **A full calendar of activities and entertainment**
- **Delicious, home cooked food created by our award winning chef**
- **Extensive grounds and gardens • Affordable weekly fees**
- **Brand new hairdressing salon • Stunning Views**

Adding another dimension to the care home is The Hall's Day Care Centre. This provides excellent facilities for the elderly and includes regular and varied events in a warm and welcoming environment!

Our doors are always open to visitors so please call in and enjoy a look around The Hall or call Diane Hagan for more details.
