THE RHALLT  
CARE HOME

# Creating caring *communities* *where we all thrive.*

At The Rhallt, every day is about feeling at home as you're surrounded by friendship, laughter, and genuine warmth. Our purpose is simple: We believe in more for our elders. More comfort, more laughter that brightens the day, and more moments shared with people who truly care.

The Rhallt is more than a home, it's part of the heartbeat of Welshpool. We're a welcoming community filled with kindness and joy, and where our compassionate team cherishes every resident as an individual.

Part of a Top 20 Care Home Group in the UK, rated by carehome.co.uk through resident and family feedback, The Rhallt is proud to offer professional excellence with a homely heart. We hear time and again that families of our residents feel reassured knowing their loved one is truly part of our Rhallt family, where everyone belongs and thrives.

# Thoughtfully designed *for warmth and comfort.*

Light, airy interiors and landscaped gardens create a calm and welcoming environment, while homely touches ensure residents feel relaxed and secure. A choice of inviting communal spaces, from sociable areas to quiet, cosy lounges, allow residents to spend their time exactly as they wish, and every spacious ensuite bedroom offers privacy and comfort. For an added touch of indulgence, our on-site hair and beauty salon helps residents look and feel their best.

Technology is seamlessly integrated throughout the home to enhance safety, wellbeing and peace of mind. Discreet fall-prevention technology is used in bedrooms, supporting our team in delivering safe, efficient, and person-centred care.

Every resident is unique, and so is every care plan. At The Rhallt, our team takes the time to understand individual needs, preferences and routines, creating a tailored approach to care that feels personal and reassuring.

With residential, general nursing, and nursing dementia care available, as well as short-term respite stays, we provide the right level of support in a compassionate and supportive environment - where dignity, patience and understanding are always at the heart of what we do.
