WELCOME TO THE SYCAMORES

Found in a peaceful, residential area of Newton in Hyde, Greater Manchester, The Sycamores is a purpose-built care home offering residential and residential dementia care for up to 48 residents.

Offering a warm and homely environment, we pride ourselves on offering a loving and caring home where residents are supported around the clock.

Our extensively trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider unique medical, personal, and dietary needs as well as individual preferences to help The Sycamores feel like home.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events and daily and weekly activities to ensure residents are active and engaged.

FACILITIES AND LIFESTYLE

The Sycamores provides a variety of communal areas for residents to relax, dine, and socialise, with a choice of sitting rooms and dining areas. Our tastefully decorated bedrooms are able to be personalised to help them truly feel like home, and many have ensuite facilities and garden views. We also have a lovely garden and patio where residents can enjoy some fresh air or soak in the sun with loved ones. For a spot of pampering, we have an on-site hair salon and nail bar. All areas, including bedrooms, are fully wheelchair accessible.

With nutritious and locally sourced meals and snacks, our residents enjoy a healthy diet based on their individual needs and preferences.

The Sycamores offers a fun, safe, and inclusive space where kindness and quality care go hand in hand.

We look forward to welcoming you
