WELCOME TO VICTORIA GARDENS

Situated in the peaceful, residential area of The Tile on the outskirts of Coventry, Victoria Gardens is a purpose-built home offering residential care for up to 25 residents.

Each of our comfortable ensuite bedrooms can be personalised to truly feel like home, with many bedrooms enjoying views of our pleasant gardens. The gardens themselves are tended to by our green-fingered residents, while our conservatory is the perfect place to enjoy the sunshine. Our hairdressing salon is a much-loved spot for some pampering!

With nutritious and locally sourced meals and snacks, our residents enjoy a healthy diet based on their individual needs and preferences.

FACILITIES AND LIFESTYLE

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibuses, and daily and weekly activities to keep our residents active and engaged. While we enjoy celebrating special occasions together, we know the little things often matter most, which is why we are proud to help residents create a routine that brings joy every day.

Our highly trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider medical, personal, and dietary needs as well as preferences and hobbies to make every stay with us a happy one.

Victoria Gardens offers a fun, safe, and inclusive home from home where kindness and quality care go hand in hand.

We look forward to welcoming you
