## **Our care team**

At Wykebeck Court, we're all highly trained in providing 24-hour tailored care. We get to know each resident personally, so we can make sure we get the balance between support and independence just right. This provides peace of mind for families and a safe and comfortable home for residents.

**“Wykebeck Court was very caring and Mum was looked after extremely well, this was with her medical needs and her personal care. I visited twice weekly and everyone was very friendly and welcoming.”**

## Types of care

## Nursing care

Nurses are on duty at all times for residents in need of nursing care, which is particularly helpful if their condition requires regular medical attention.

## Dementia care

Our specialists can help residents with dementia to lead a better quality of life. With the help of their loved ones, we'll build a picture of their life story and their likes and dislikes. Then we can personalise their care and help them live the way they want to.

## Variety of comfortable bedrooms

We have 84 rooms, all of which are large enough to accommodate a couple. There are shared bathrooms around the home, and you can also expect:

- en suite WC with shower
- garden view from many rooms
- flat screen TV
- telephone point (bills payable)

Residents can bring personal items with them, such as pictures and knick-knacks.

## Services available to all

- GP visits within the home or at the practice
- Eye care from an optician
- Advice from a nutritionist
- Pet therapy

## Shared areas around the home

There are lots of places to relax. Residents can pop into our hair salon and nail bar, see a movie in our cinema, or drop by our café to catch up with family over a cup of coffee.

There are lots of lounges where they can enjoy a chat or just cosy up with a book. We also have safe gardens where they can stroll or simply sit and enjoy the fresh air. The choice is always theirs.

## Speak to us about costs

Our fees vary depending on the care needed and the bedroom chosen. We'd be happy to run through costs and answer any questions.

# Life at Wykebeck Court

We want our residents to feel happy here as quickly as possible. Warm smiles and good food really help, as does having plenty to do. Everyone's encouraged to get involved, so there's a strong community spirit.

## Activities

We have a team of coordinators who plan interesting and enjoyable activities for all of our residents, including those who are less mobile. For example:

- entertainers who visit the home
- arts and crafts sessions
- weekly coffee mornings
- darts, dominoes and other games
- gentle exercise classes
- Knit and Natter group
- weekly in-house paper, Sparkle, to help residents rediscover old memories

Residents can still do most of their existing hobbies here. They can also suggest something they'd like to try, as a group or in their room.

## Fresh, healthy food

Food is a very important part of life. Our chef creates well-balanced meals from choice ingredients, for residents to enjoy in our sociable dining areas or in the comfort of their own room.

There are lots of favourites on the menu, but we also talk to each resident when they move in about their likes and dislikes, and any special dietary needs.

## Meal times

Set meal times ensure that residents can enjoy their food without interruption. If they'd prefer to eat at a different time, that's okay, too.

## Celebrating special occasions

We have a variety of spaces where families can host private events such as birthday parties. We'll just need to know in advance. Plus, we can arrange catering for an additional fee.

Issued Feb 2023

## Visits from family and friends

Loved ones can pop by at any time for coffee or an activity. If you'll be having a meal with us, just give us a quick call and also tell us about any dietary requirements. Then we can cook up something you'll really enjoy.

“Mum has had the best care and the attention from all the staff has been fantastic. Mum hadn't eaten food due to her condition for months prior to moving in but with time and patience is now managing small personalised meals provided by the dedicated head chef. The activity team are brilliant, I always find the home busy with activities with lots of fun and laughter. I cannot thank the whole team enough for all the support they give to Mum and my whole family.”
