WELCOME TO WATERSIDE

Situated in the village of Tipton, close to Dudley, Waterside is a friendly care home offering nursing care for up to 59 residents.

Each of our comfortable ensuite bedrooms can be personalised to truly feel like home. With a choice of sitting rooms, including a space dedicated for hobbies and interests and a lovely dining room, Waterside has a variety of places to relax, socialise, and dine.

Our sensory garden is the perfect place to enjoy some sun with friends and family, while our hairdressing salon is a much-loved spot for some pampering and regular chiropody appointments. All areas are wheelchair accessible.

With nutritious and locally sourced meals and snacks, our residents enjoy a healthy diet based on their individual needs and preferences.

LIFE AT WATERSIDE

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged. While we enjoy celebrating special occasions together, we know the little things often matter most, which is why we are proud to help residents create a routine that brings joy every day.

Our highly trained team offer personalised care that focuses on maintaining residents' comfort, independence and wellbeing in a warm and supportive environment. Personal care plans consider medical, personal, and dietary needs as well as preferences and hobbies to make every stay with us a happy one.

Waterside offers a fun, safe, and inclusive home from home for our residents, combining kindness with the highest quality care.

We look forward to welcoming you
