

WELCOME TO BENSLOW NURSING HOME!

**PERSON-CENTRED NURSING CARE
DELIVERED IN THE BEAUTIFUL AREA OF
HITCHIN!**

Benslow Nursing Home is situated in a quiet residential neighbourhood just a mile from the centre of the market town of Hitchin, the name of the town is associated with the small river that runs through it. The river is known as the river Hiz on maps.

Hitchin is significant for music all year round with many venues hosting regular events. Benslow nursing home is ideally located for all amenities and is easily accessed by public transport.

There are a variety of activities and events as chosen by the residents themselves. For those wishing to stay a little closer to home, a dementia friendly garden was completed in 2013, which enables residents and their families the opportunity to relax and reflect in beautiful surroundings.

A variety of birds and squirrels are often seen in the extended grounds.

This home is a nursing home providing a home to 35 residents aged 65 and over and offers specialist care for people including those living with dementia.

The house is characterful and full of individual charm.

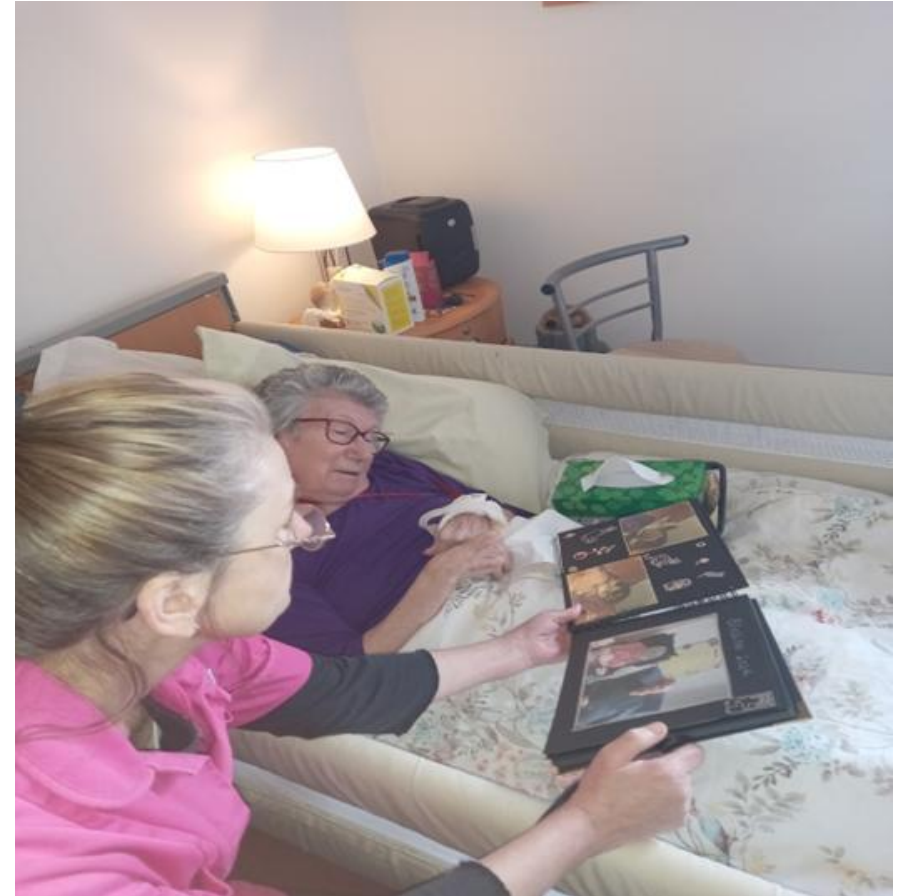

The staff are all from the local area and deliver care in this warm, friendly setting and the local community.

The manager has coached and mentored the team and together they provide true person-centred care with empathy, understanding and respect.

The home affords a large lounge/diner, a small quiet lounge/diner on both the lower and ground floor and reminiscence areas around the home.

Activities are held daily in the larger lounge/diner, residents own rooms and garden.
