

Welcome to Highbury Rise!

Person-centred care delivered in the beautiful area of Hitchin!

-
- **This home is situated in the market town of Hitchin, the name of the town is associated with the small river that runs through it. The river is known as the river Hiz on maps.**
 - **Hitchin is significant for music all year round with many venues hosting regular events and Highbury Rise is no exception as Mary shows as she sings along!**

-
- **The rear garden has a dementia design landscape comprising of a figure of eight pathway leading to many seating areas and sensory flower beds. The enclosed garden is accessible via French doors from the lounge and provides a safe and attractive outside area for residents and their visitors to enjoy.**
 - **Those residing at Highbury Rise enjoy being outside in their garden and gardening as a hobby!**

-
- **This home is a residential care home providing a home to 22 residents aged 65 and over and offers specialist care for people living with dementia. The house is characterful and full of individual charm.**

-
- **The staff are all from the local area and a family atmosphere abounds. Person centred care is provided, personal care and support following a holistic approach to care.**

-
- **There are easily identifiable signs around the home assisting service users to find their way around easily.**
 - **The home affords two small lounges and a large lounge/diner.**
 - **Activities are held daily in the larger lounge and garden.**
