WELCOME TO WESTLEIGH LODGE

Overlooking the leafy Westleigh Park in Wigan, Westleigh Lodge is a purpose-built care home offering nursing dementia care for up to 48 residents.

Each of our comfortable ensuite bedrooms can be personalised to truly feel like home, while a choice of ambient dining areas and social lounges ensure residents have a variety of places to relax, socialise, and dine. Our large, enclosed garden is the perfect place to enjoy some sun with friends and family, while our hairdressing salon is a much-loved spot for some pampering. All areas are wheelchair accessible.

With nutritious and locally sourced meals and snacks, residents enjoy a healthy diet based on their individual needs and preferences.

FACILITIES & LIFESTYLE

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged. While we enjoy celebrating special occasions together, we know the little things often matter most, which is why we are proud to help residents create a routine that brings joy every day.

Our highly trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider medical, personal, and dietary needs as well as preferences and hobbies to make every stay with us a happy one.

Westleigh Lodge offers a fun, safe, and inclusive home from home for our residents, combining kindness with the highest quality care.
