WELCOME TO WINDMILL LODGE

Situated in the seaside town of Lytham St Annes, Windmill Lodge offers compassionate residential, dementia, and nursing care services in a warm, safe and secure environment.

Our experienced and caring team ensure care is personalised to the needs of each individual resident, 24 hours a day.

We are dedicated to ensuring Windmill Lodge is a happy, vibrant and fun place to live. Our varied and engaging activities programme inspires communication, social interaction, movement, reminiscence and more. The home's location in the lovely seaside town of Lytham St Annes ensures that residents have a busy social and cultural calendar with opportunity to be a part of the local community.

Our chef and catering team work hard to create a varied, nutritious menu with seasonal ingredients, tailored to individual preferences and dietary needs.

A HOME TO MAKE YOUR OWN

Internally, residents can enjoy a choice of shared lounges for relaxation, a cinema and activities room, or take time out for a tippie with friends in the Residents' Bar. Landscaped gardens are much enjoyed during favourable weather, with some ground floor bedrooms opening onto private patios.

Residents enjoy comfortable, tastefully decorated en-suite bedrooms and are welcome to personalise their rooms as they wish. The benefits of group living, in the knowledge that care and support is always on hand, mean that every day can be enjoyed to the full at Windmill Lodge Care Home.
