WELCOME TO WORSLEY LODGE

Situated in the historic village of Worsley, Worsley Lodge is a friendly care home offering residential, nursing, and dementia care for up to 48 residents, in a peaceful and reassuring environment.

Each of our comfortable ensuite bedrooms can be personalised to truly feel like home. A choice of sitting rooms, a space dedicated for hobbies and interests, and a lovely dining room ensure that Worsley Lodge residents enjoy plenty of places to relax, socialise, and dine. Our landscaped garden is the perfect place to enjoy some sun, and is often tended to by green-fingered residents, while our own hairdressing salon is a much-loved spot for some pampering. All areas are fully wheelchair accessible.

With nutritious and locally sourced meals and snacks, our residents enjoy a healthy diet based on their individual needs and preferences.

A HOME TO MAKE YOUR OWN

Our highly trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans consider medical, personal, and dietary needs as well as preferences and hobbies to make every stay with us a happy one.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged. While we enjoy celebrating special occasions together, we know the little things often matter most, which is why we are proud to help residents create a routine that brings joy every day.

Worsley Lodge offers a fun, safe, and inclusive home from home, combining kindness with the highest quality care.

We look forward to welcoming you
