

Four Seasons Health Care

Abigail Lodge Care Home, Consett

A home that feels *just right*

Our warm, friendly home is situated in the quiet town of Consett, surrounded by beautiful countryside. We are close to local shops and public transport, so visitors find it easy to stop by any time.

Our dedicated team offers residential care for those who need help with daily tasks, nursing care for people with more complex medical needs, and for those living with dementia. We also provide respite care for those who would benefit from a change of scenery, and to give carers a short break.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh, seasonal ingredients. For extra variety, we celebrate a range of occasions throughout the year, with special meals, events and activities.

“ No matter how busy the staff are, they always have time for every resident. ”

Our residents particularly like...

- Being pampered by our hairdresser
- Relaxing and socialising in our beautiful garden
- Snacks and fresh fruit always available
- Home baking every day
- Shared activities with other residents
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
