

AtHome offers fairly
priced, flexible home
care across the UK

View and choose carers
based on your individual needs

We help you explore
different care options
based on your care
needs, location, and
budget.

We help families across England, Scotland,
Wales and Northern Ireland find experienced,
self-employed carers, companions and
personal assistants at a fair price. To see how
we can help you and to view and chat with
available carers, please get in touch

More than 1,500
care professionals
