

# Dining at Wood Care Group

We're proud our meals are consistently tasty, nutritious and crafted with care. It stands to reason that we only use high quality, ethically sourced ingredients in the creation of these delicious meals.

A choice of dishes is offered at each mealtime, and menus can be browsed in advance so that residents can choose their preferred dishes before dining.

We also cater for specific dietary requirements.

## Sample Menu

### Mains

Pork Loin with Sage Stuffing in Gravy

or

Chicken Breast in Tomato and Basil Sauce
