...with plenty of laughs along the way!

“Right from the beginning my aunt was looked after in a professional and personable way.

The home is very well-run and maintained. The staff from the care assistants to the senior management are fabulous. The staff make it a very good place to live and my aunt is kept to a high-level standard of living.

Thank you to you all!”

The care home from home experience...

Delicious home cooked food and baking, a choice of two dining rooms, bright and sociable lounges and 37 delightful bedrooms, ready to be personalised with individual furnishings to make it even more like home.

BLACK COUNTRY THROUGH AND THROUGH

We're proud of our heritage and our links with the local community in Dudley. Our team are from around here, so if you fancy an "opple" or a drink of "council pop," we know exactly what you mean!

OUTDOOR SPACES TO ENJOY

From our spot on the hill, you can enjoy views across Dibdale and out to the Clent Hills on a clear day, which bring back many fond memories for the people we support. Those are views many of our upstairs rooms enjoy, while some of our downstairs rooms and living areas provide views of our expansive lawns. We also have a sun terrace and a dementia garden which is designed to be safe with sensory elements and raised flower beds for our gardening fans.

TIME FOR YOU

With great food perfectly prepared for all needs and tastes every day, and the household chores taken care of, there's more time to do the things you love most. Our dedicated activity coordinator ensures there is always something to look forward to, and visits to our in-house hair salon add that extra bit of sparkle!

The salon is staffed by a professional hairdresser who visits regularly and charges very reasonable rates, but independently to the home.

It all adds up to a fun, vibrant and sociable life full of choice -

*That's life at Ashbourne...
...fun, vibrant, sociable and full of choice*

FRIENDS & FAMILY

Friends and family are as important to us as they are to our residents. We work hard to ensure that you can spend as much time as you wish with loved ones and always be involved in decisions.

Our manager will be more than happy to assist with any questions or concerns you may have while searching for care.

"My Mother-in-law made the decision to stay at Ashbourne, saying they look after me well and I like it so I will stay.

We have always found staff to be helpful and supportive and very friendly. The care they gave was excellent, the home was always clean, it may not be a fancy modern building but when you walk in there it felt like home.

Thank you all at Ashbourne you are a credit to your profession."
