HEALTH CARE

# Evedale Care Home, Coventry

## A home that feels *just right*

**Our home is pleasantly situated in a quiet residential area in Coventry. We are close to local shops and public transport, making us easily accessible for visitors to pop-in for a chat.**

Our team offers nursing care for those with complex medical needs and for people living with dementia. We also provide specialist care for people with mental health conditions, and respite care for those who would like a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals and events.

*“ I've found this care home to provide a very caring and supportive attitude. ”*

### Our residents particularly like...

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
